Increase of Gardens Needed

(Continued from page 1) etable and flower plants that may be transplanted by the gardener. The company will also have its' line of flower and vegetable seeds and fertilizer.

At the grocery stores, King's Grocery will display seeds, onion plants and liquid fertilizer; Sam's Food Store will have seeds, insect spray, fertilizer and onion sets; seeds will also be obtainable at Hoffman Hardware, Nehalem Market and Grocery, Herrin's Grocery and the Vernonia Auto Co., the latter also having commercial fertilizer and a booklet explaining gardening practices. Hoffman Hardware and Miller's Department Store both carry other supplies that will be found useful, the former stocking gardening tools, fertilizer and other necessities and the latter having slacks, coveralls and other gardening clothes. Canning supplies will also be available at several of the stores.

In addition to information obtained from neighbors and bulletins, instructions will be found with many of the seeds and other supplies that are purchased.

Finding suitable land for planting may, in some instances, prove a handicap in that the ground is located at some distance from the individual's residence. Provision for traveling to and from the garden spot has been made

SONOTONE HEARING CENTER

Friday, April 14th
MacDonald Hotel

I will gladly make an audiogram of your hearing. In 20 minutes you can see just how much your hearing has slipped, and whether or not you need a hearing aid. No charge or obligation.

Managers

by the office of price administration with substantially the same provisions as those of last year: the garden must be located so that at least two visits may be made there weekly; 300 miles of travel will be allowed; 1500 sq feet must be devoted to vegetables; ride sharing should be practiced where possible.

Housewives who are planning to can early fruits and vegetables and make their year's supply of jellies and jams, may now obtain their five pounds of sugar from their grocers for this purpose by using sugar stamp 40 in book four. This stamp will be valid through February 28, 1945. A maximum of 25 pounds per person is available to housewives and includes the five pounds secured with stamp 40. To secure this extra quantity, application to the war price and rationing board may be made at any time. This year's application is made on a new and simplified form and can be mailed to the board. A single application may be used for all members of a family living at the same address.

A message emphasizing the need for planting victory gardens will be found on page 3 along with the names of Vernonia business firms who are urging everyone who can to do his or her part to increase the nation's food supply.

The Cozy

Pie Social Proves Success

MIST — The program, pie social and bazar Sat. eve. was a decided success. The program, under the teacher's supervision, was very much enjoyed. The pies brought in a good sum and the sale of aprons, fancy work etc. was well patronized. The kitchen also did a rushing business in the sale of cake, pie and coffee. The Mist Helping circle gave the social, sale and lunch for the benefit of the Red Cross. A neat sum of \$276.20 was received and has been sent in. We wish to thank all those who gave their time or contributed in any way to help make this a success. Ray Hughes has been in the Coffey Memorial hospital in Portland over a week for observation. Mrs. Hughes has been staying in Portland too.

Jim Hill returned last week from Calif., where he has been the past month visiting his son, Bill, who's in the army. Mr. and Mrs. Joe Chemonck have been entertaining their daughter, Annie, who left Sat. a week ago for R. I. where her husband is stationed at present. Clyde Henderson received a large shipment of baby chicks last week.

Prolong New Car PERFORMANCE

The newer cars may run several years without any major mechanical repairs, but they cannot maintain anything like new car performance and economical operation, unless they are given regular tune-up attention.

We are equipped to give your engine proper maintenance work and adjustments. We have tune-up specifications for all makes and models. To keep your car at its' best, let us take care of it.
