Julia suggests sparkling ideas for Easter dishes

EVEN in war-time, we can turn an Easter meal into a really memorable event. The secret? Just a little feminine ingenuity!

With eggs, for example: why not make Easter breakfast something to remember, with

FROSTED EGGS
 9 eggs 2 tbsps. butter, 1/2 cup milk margarine or 1 tsp. salt shortening 1/4 tsp. white pepper 6 toast rounds

Beat 6 whole eggs and 3 yolks together lightly; add milk, 1/2 teaspoon of the salt, and 1/4 teaspoon of the pepper; beat well. Cook eggs slowly in melted butter, margarine, or shortening, in frying pan until just set, stirring occasionally. Place in individual casseroles or on top of rounds of buttered toast, arranged on an ungreased baking sheet. Frost with egg whites beaten until stiff but not dry, and seasoned with remaining salt and pepper. Bake in moderate oven (350° F.) about 15 minutes or until whites are a golden brown. May be served with crisp bacon. Serves 6.
