BY ELIMINATING THE PRINT FORMERLY USED TO COVER THE SURFACE OF A LIBERATOR BOMBER ITS AMERICAN BUILDERS SAVED 180 POUNDS IN WEIGHT, REDUCED THE COST AND ADDED ABOUT FIFTY MILES PER HOUR TO ITS SPEED.

IT IS POSSIBLE TO CONVERT SAWDUST AND OTHER WOOD WASTE INTO ALCOHOL, SUGAR, OR PROTEIN CATTLE FEED, AND SCIENTISTS IN THE FOREST INDUSTRIES ARE NOW TRYING TO MAKE SUCH CONVERSION COMMERCIAL PRACTICAL.

AN AMERICAN ELECTRONIC MICROSCOPE CAN MAKE INVISIBLE OBJECTS APPEAR 200,000 TIMES THEIR ACTUAL SIZE. IF A POSTAGE STAMP COULD BE MAGNIFIED THAT MUCH IT WOULD APPEAR TO BE 3 MILES HIGH!

Sawdust...

Flags were flying in Vernonia Tuesday morning with the announcement of D Day via daily papers and radio and the flying of those banners was very appropriate with the importance of the event.

Mona Gordon, ration board clerk, was busily occupied Monday bringing ration board books up to date. There's a lot of that sort of work to do she says.

Mrs. Zoe Whitsell joined the ranks of women garage attendants Monday when she began work at the Vernonia Auto Co. to relieve the shortage of help there.

Les Skuzie takes pride in his ability as a clam digger, especially in mentioning the numbers of clams he has taken in the past. His skill is somewhat less now, he thinks, as it has been some time since he has had the opportunity to journey to the beach and try his ability in that direction.

B and C Rations Void June 1st

B-2 and C-2 gasoline ration coupons—the old type B and C rations without serial numbers—will be invalid for use by consumers on and after June 1, Fredrick F. Janney, district OPA rationing executive, explained today. Holders of unused coupons may exchange them at local OPA boards.

Serial numbered coupons cut down black market diversion by giving a permanent identity to every coupon, Janney pointed out so that stolen coupons can be identified as stolen wherever they turn up. The strip form of the new coupons makes tailoring unnecessary and eliminates possibility that loose, tailored coupons may be lost or stolen before they can be voided or destroyed, he said. Serially numbered coupons are also much more difficult to counterfeit than the old type—so much so that no counterfeiters have been discovered among them so far.

Endorsement of state and license number on every coupon is still required as it proves the only way to trace source of illegal coupons after they have been exchanged for gasoline, Janney emphasized.

OH EILEEN!
O Eileen! Oh Eileen! your my bright and morning star,
Oft, times think I feel you from afar, from afar;
Oft' times when I think of you, there's naught on earth for me,
But I'll try to find you Darling when I serve humanity.

By the Santiam your dreaming, where the mountain river flows,
It seems only yesterday I laid you there a long time ago.
May the lillies of the Santiam always bloom so fresh and fair,
May they always guide you darling gently place upon your hair;

May each petal have a meaning to be so kind and true,
That someday, Darling, I can step across to you.
