Sawdust...

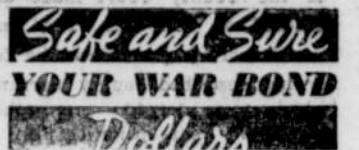

Coming events sometimes give advance notice of the time when they will happen but not always. Little, if any, advance notice was apparent, it seems, in the case of Doug Culbertson, who experienced the firm hand of the law last Thursday when Doug and State Patrolman Wheeler made more than passing acquaintance. The occasion for the acquaintance was Doug's motor scooter riding which brought forth a ticket from the patrolman giving instructions to appear before the home last Tues., eve. Callers at the Noble Dunlap home Sun., were Mr. and Mrs. R. S. Lindsay and Mr. and Mrs. M. B. Steers and family. Mr. and Mrs. Charlie Pye came out from Portland last Wed., and are spending the holidays with Mr. and Mrs. R. S. Lindsay. Mrs. Pye and Robert Lindsay are brother and sister. Callers at the L. Carmichael home July 4th were Mr. and Mrs. Vick Berg and family and Mr. and Mrs. Lindsay. Bill Pringle, Sr., and Bob Frederickson were in Hillsboro Tues., at the rodeo. Patricia Moran was home from Portland over the 4th.

judge on Monday of this week. Doug is working(?) during the summer so made arrangements for his mother to appear in court and receive the judge's sentence. Doug, previous to the trial, attempted to convince his mother that she should spend sufficient time in the city jail to pay his debt to society, thereby saving the expense of the fine. However, she objected to the latter procedure on the grounds that the fine could be paid only at the rate of \$2 per day for the time so spent and that was insufficient in these days of high wages and living costs and that the amount should be at least doubled before it could be given such consideration. Albert Schalock is having troubles too. He has a strawberry acreage at his home in River view and usually sells the fruit to local groceries but this year he is having trouble with birds which have destroyed the larger portion of his crop. He says there seems to be a greater number of birds present this year than in previous years, possibly due to the fact that a fewer number have been killed by boys, who, in former years have had ammunition for their guns. The question has been raised

whether or not the office of price administration should increase the wages of Mona Gordon or give her a bonus. In the mid-morning of July 5th, Mrs. Gordon cleaned and polished the windows surrounding the ration office—the remaining windows of the former bank building remain dirty. (Mr. Hieber, please note).

Golf at Forest Hills — Mr. and Mrs. Harry King, Mr. and Mrs. Ben Brickel and Mr. and Mrs. Frank Hartwick spent July 3rd at Forest Hills golfing and July 4th at Seaside. **Leaves for California** — Mrs. Joe Roberson left Portland July 4th to visit with Miss Dorothy Nanson at Chula Vista,

a suburb of San Diego, for two weeks. She will be able to spend two days with her husband who is stationed at the naval training school.
