BILL SHEPHARD WRITES
RIVERVIEW — Mr. and Mrs. S. Shephard had a letter recently from their son, Bill, U. S. N., from somewhere in France, saying: "It would make your hearts beat a little faster to know where I am, but don't worry, everything will be all right. I have a job to do here and I'm sticking to it to the finish." Bill writes that he gets his Vernonia Eagle about a month late but that it has welcome news anyway.

RADIO OPERATOR HERE
Fred Erven, chief radio operator, in the coast guard, visited with his parents, Mr. and Mrs. C. W. Erven, last week end.

SELECTED FOR SCHOOL
Billy Divine, son of Mr. and Mrs. C. E. Divine, is now at the General Motors school at Cleveland with the aviation mechanics branch. He was one of 25 boys selected from the Ames, Iowa training school to attend. Billy enlisted the first of January and was at Farragut for his boat training.

THREE HOLD REUNION
They couldn't celebrate the 4th of July, the usual American style, but they did hold a reunion some place in Italy. Major "Red" MacDonald, First Lieutenant Phillip Mills and Sergeant Bob King were fortunate enough to be together someplace in Italy for Independence Day. As proof of their meeting, Harry King, Bob's dad and Emil Messing, dad of 30 servicemen, are showing snaps taken of the trio and including a pup that Mac apparently has adopted. One of the photos shows Phil and Bobby congratulating each other on their then recent advancements.

SENDS SOUVENIRS
Seabee Tom Bateman sent to Emil Messing and other members

of the post office staff a number of souvenirs now on display in the window at the post office. Included are some Jap money, one piece which Tom believes to be a war bond, New Zealand, Dutch Netherlands and New Guinea paper money and coins.

Though only temporarily set up, Baeman seems to do a very good post office business in Dutch New Guinea. He writes, "Yesterday we dispatched over a thousand air mail letters to say nothing of the V mail and ordinary mail. This is only an average day. . ."

WOUNDED IN ACTION
Pfc. Chester Bass was wounded in the battle of Saipan while fighting with the 2nd marine division early in the conflict, according to a letter received by his parents, Mr. and Mrs. Bruce Bass. He said he received a gunshot wound just below the left knee. At the time of writing, he was able to be on crutches part of the time.

ATTENTION! ALL HOME CANNERS!
Before you begin your 1944 canning, Good Housekeeping Magazine advises you: use the boiling-water bath method for tomatoes and fruits, only. Can all vegetables except tomatoes by the correct use of a pressure cooker to be sure of killing botulinus germs. In the last few years, cases of botulinus food poisoning have cropped up in widely different parts of the country. Buy, borrow, share a pressure cooker — but don't can low-acid vegetables any other way. If you want further information, write Good Housekeeping Magazine, 959 Eighth Avenue, New York 19, N. Y.

When you buy Produce at Safeway

Some of us can remember the days when a dry-goods clerk would measure ribbon by her arm's length (you got your money's worth when the clerk was long-armed!)—nowadays, ribbon is measured by the standard 36-inch yard! The modern way of measuring by value in fresh fruits and vegetables is just as accurate: pricing by the 16-ounce pound—that's the Safeway method!

Bake a Pie

Even the pastry can be made on an easy summer-time schedule. Here's a suggestion: make a double batch of your favorite pastry recipe, putting it together in the "cool of the morning." What you don't use immediately can be left dry, or moistened and wrapped in waxed paper, before placing it in the refrigerator.
