RECLAIM QUARTER OF MILLION MEN

Treatment of syphilis is responsible for the presence in the armed forces of 125,000 men who otherwise would have been unfit for service, and for making 140,000 others available for service unless otherwise disqualified,

the U.S. public health service reports. Among the first 15 million selective service registrants given blood tests, evidence of syphilis was found among 720,000. Selective service boards, state and local health departments, army and navy united in tracing, treating and inducting infected registrants.

NEW SCHOOL BUSES AVAILABLE AT LAST

After almost total lack of new school buses for two years, WPB approved a 1944 production quota of 5,000, of which more than 2,400 already have been released to schools where new buses were needed to prevent absences and replace unsafe equipment, the ODT reports.

HELP YOUR MERCHANT SAVE PAPER

If your merchant doesn't wrap your packages as well as he used to, just remember that the WPB has asked him to save paper by doing way with all unnecessary wrapping and using sparingly such gift wrappings as remain. Other conservation measures your merchant has been asked to follow—1, avoid double wrapping, such as paper over a box; 2, avoid inner stuffing or inner wrapping unless necessary for protection; 3, avoid decorative effects that use extra paper; and 4, inform customers of necessity for the simplest gift wrappings.

ROUND-UP

OPA says—No more special gasoline rations for travel to victory gardens will be issued after August 15. . . . There will be a slight increase in the prices of some cookies, crackers, toast and crumbs now sold in retail stores as a result of a change in OPA regulations. . . . Enough sugar to produce as large a pack this year as they did in the 1941 canning season will be allotted to house wives and other home processors of fruits, fruit juices, preserves

TO WHOM IT MAY CONCERN:

On June the 8th, 1944 we published an ad in the Vernonia Eagle disclaiming any responsibility for piling remaining in what was known as the "Union Car Piling Yard" in Vernonia, Oregon. This is a final notice to any individual or concern owning an interest in the poles and piling on or adjacent to the SP & S siding north of the Union Oil Plant in Vernonia, Oregon that this yard has been leased by the undersigned and after August 19th, 1944 we disclaim any and all liability for disposing of material in yard as we feel to be necessary. Interested parties will please notify Lyle Baker at Wilark before above date of their desires or we will proceed under the assumption that they have relinquished all claims on material in the yard.

Are You A Chow Hound

No, no, don't get insulted. We're not intimating that you are a particular breed of canine. That is army slang for the guy that really likes good food and plenty of it. If you fall in that category, by all means make King's market your food headquarters. You will find an amazing assortment of good things to eat and pleasant friendly service besides.

When you want good food—King's can fill the bill!
