MISSISSIPPI THE BAYOU STATE

MISSISSIPPI HAS APPROXIMATELY 18,000,000 ACRES OF FOREST LANDS. BECAUSE OF PLENTIFUL MOISTURE AND LONG GROWING SEASON IT IS IDEAL TO GROW 200 BOARD FEET OF TIMBER PER ACRE PER YEAR. THIS MEANS THAT WITH PROPER MANAGEMENT (ONLY FIRE PROTECTION AND TREE SERVICES BEING NEEDED FOR NATURAL REGENERATION) MISSISSIPPI'S SUSTAINED YIELD OF TIMBER COULD EXCEED 3 BILLION BOARD FEET ANNUALLY, A NATURAL RESOURCE WHICH NEED NEVER BE DEPLETED.

MISSISSIPPI'S SOFT PINE TREES ARE FROM 8 TO 15 YEARS OLD AND CAN BE USED FOR PULP WHEN ONLY 5 YEARS OLD. MISSISSIPPI LONG-LEAF PINE TREES ARE IN ONE GENERATION. OUTSIDE THE LEAVES ALONG THE MISSISSIPPI RIVER, COTTONWOOD AND WILLOW TREES ARE PLANTED AND NURTURED BY EACH SPRING RISE. SUCH LIKE MUSHROOMS THEY FURNISH A PERMANENT AND DEPENDABLE SUPPLY OF PULPWOOD.

THE WORLD'S LARGEST COTTON PLANTATION, COVERING 35,000 ACRES IN ONE UNIT, IS IN SCOTT, MISSISSIPPI.

Remember Me?

I'm the guy who looked at you from a U.S.O. poster some time ago. I'm the guy for whom you and millions of others gave and gave so generously. I'd like to tell you what was done with your money.

The money you gave last year helped give the boys the tonic of entertainment... a personal appearance by Jack Benny in Africa... by Gary Cooper in the South Seas... and by lovely women stars in remote places where just the sight of a feminine face is enough to make up for weeks and months of loneliness and isolation.

Your dollars made possible the U.S.O.—in addition to many other great services at home and abroad—3,000 U.S.O. clubs and U.S.O. Camp Shows.

The job is bigger this year... much bigger. Won't you be bigger than ever this year, too, and give generously?

THE OLD JUDGE SAYS...

"The war stories I like best, Judge, are the ones by the special writers overseas who live right with our troops. They give us a better idea of how our men react to things going on over there and back here at home."

"I agree with you, Sam. I never miss one of those stories in the papers or magazines. And there's one thing those writers seem to agree on no matter where they are stationed with our men... and that is that the men who have left their homes and families to go away and fight this war don't want to come back and find that prohibition has been put over on them while they were away... either nationally or locally. They have heard about the attempts being made and they resent it bitterly."

"I agree with them, Judge, even though I don't happen to drink myself. Furthermore, I don't think it's fair for us at home to be making any major changes while 10,000,000 of our fighting men are away and have no chance to express their opinions."
