

Cases of Illness Are Reported Among People In Riverview Community

RIVERVIEW — After nearly recovering from a severe attack of tonsillitis little Mary Mills suffered a relapse accompanied by croup which caused her to be a very sick girl the last two weeks and still has her confined to bed.

Mrs. S. V. Malmsten of Salem spent the week end at the home of

her son, Leonard, who is suffering with the prevailing epidemic. Mrs. Marion Hall of Portland came Sun. for a visit with her sister, Mrs. Ralph Mahar, while Mrs. Larry Grice and children of Banks spent from Fri. until Sun. evening at the parental Mahar home.

This week we can welcome back a former neighbor, Clarence Gee. Having rented his Vernonia property he moved Sun. into his Riverview home.

Mr. and Mrs. Ellis Rainwater and children, Norman and Joyce, drove to Hillsboro Sun. for a visit with Mrs. Rainwater's parents.

George Bell, who spent last week at Wheeler taking treatments for various rheumatic ailments, is now quite ill with flu and complications at his home here.

Mr. and Mrs. C. R. Shephard and daughters, Zoe Rita and Penny Lee, of Longview, Wn. were welcome visitors over the week end at the parental J. M. Peachy home.

Children Ill With Colds At Mid-year End, Farewell Party Given

TIMBER — A large percent of the pupils in both school rooms were absent last week, due to colds and flu.

The school children are busy collecting paper for the paper drive. Ernest Gann of the United States Navy has been spending a few days with his brother Cecil and family.

Mr. and Mrs. Charles Riggle and Mrs. Edith Riggle of Buxton and Mrs. James Gibbons of Oakland, Cal., were Sunday visitors at the B. Tallman home.

Mr. and Mrs. A. E. Martin and Mr. and Mrs. Bill Harkson attended the farewell party given at Cochran Friday night for Mr. and Mrs. W. C. Lambdin and children. Mr. Lambdin has been office manager for the Long Bell Lumber Co. for the past eight

years and has been transferred to Weed, Cal.

Last week ended the first half of the school year and the week was spent giving achievement tests. Friday was report card day.

Tony Lopez had the cast taken off his leg Friday. He received a double fracture while playing on the school grounds two weeks before Christmas.

Betty Hickey of the marines, youngest daughter of Mrs. Ray McCoy, has finished boot training at Le Jeune N. Carolina and has gone into motor transport for four weeks training.

Almy Hickey, Spurs, was recently transferred from Cincinnati, Ohio to St. Louis, Missouri into a Coast Guard office.

Mr. and Mrs. Ray McCoy transacted business in Astoria last Tuesday.

More Farm Aid To Be Needed

More women and children from Oregon towns and cities will be needed to harvest 1945 crops than were used this past year, farm labor assistants from 16 Oregon counties agreed recently at a conference at Oregon State college.

Because of continued drain of young men from farms and a possible tightening up on the number of Mexicans that will be made available in Oregon, local communities will remain as the main source of seasonal farm

workers, J. R. Beck, state farm labor advisor in the Extension service, pointed out. He predicted even greater use of women, boys and girls from towns and cities will be necessary.

Full utilization of returning war veterans who desire farm work was suggested by W. A. Schoenfeld, dean and director of agriculture, who pointed out that farm work offered many possibilities for these former servicemen. He emphasized the need, however, for individual attention to each veteran to assure placement in the proper job.

Army authorities have indicated that an increased number of prisoners of war will be available for agricultural work, it was reported.

To Close Deal

Harry King and Paul Gordon, members of the West Oregon Electric cooperative board of directors, will go to Portland today to sign papers transferring the Oregon Gas and Electric property to the REA, which signing will complete the purchase which has been under negotiation for some time. Jewett A. Bush, sponsor of the REA, will also be present at the signing. REA service will start here as of February 1.

POWS EARN \$4,000,000

Prisoners of war, working on private contract jobs, earned approximately \$4,000,000 for the Treasury of the United States during October, the War Department announced.
