

Grangers Hear Review Of Oaks Plan Saturday

The regular meeting of the Columbia County Pomona Grange was held Saturday, May 5, at the Clatskanie high school. Marshall Grange entertained. Ray Tarbell, the worthy master, presided.

Morton Tompkins, master of the Oregon State Grange, was guest speaker in the afternoon. His topic was a resume of the agricultural problems of the U. S. and those of Canada. He said:

"The Grange is the largest farm organization in the world and now is taking a large task upon its shoulders to aid agriculture and everyone seems to be leaning to the Grange for agricultural support.

"Agriculture needs organization as food and necessities of life are the main factors to maintain world peace."

The annual Grange picnic will be held at Big Eddy Park July 29th.

The guest speaker for the Lecture Hour was Dr. Glen Bakum, of the University of Oregon, who reviewed the Dumbarton Oaks Plan and the purpose of the meeting of the United Nations in San Francisco. In his talk he said:

"The nations propose a permanent organization of themselves for these purposes: (1) To make studies of causes that provoke war; (2) To assist each other in economic and social

problems; (3) To secure voluntary adjustments of international disputes; and (4) To use organized economics and military force to put down aggressors."

The degree of Pomona was exemplified to 28 candidates from Marshland and Clatskanie Granges.

New Residents Make Home Here

RIVERVIEW — It seems fate had something good in store for Riverview when the climax to Lester Heim's life as a sailor ended with an honorable discharge when he received several leg wounds in the thirteenth year of his naval career. Mr. Heims came from Baldwin Park, Cal. and spent five months in Portland; then came here and purchased a home and has been very busy all week applying a coat of white paint to his residence which is at the entrance of 1st St. N. of mile bridge. He bought this property from Harry Paterson. Mrs. Heim and their four-year-old daughter, Darlene, expect to come out from Portland in a week or two. Welcome to the Heims.

A. F. Schlock spent most of this week setting in strawberry plants on the Anna Parker property.

The L. L. Wells family returned Wednesday from Tenino, Wn. where they attended the funeral of Mr. Wells' mother Mon. Much of their time was spent at the home of Mrs. Ethel Johnson an elder sister of Mr. Wells. Tuesday p.m. was spent in Tacoma with Mr. and Mrs. Dick Kruger. Mrs. Kruger being a niece of Mr. Wells. Mr. Wells' uncle and aunt, Mr. and Mrs. R. S. Bixby also came to this home for a visit with them. Tues. eve. was spent in Olympia with a younger sister of Mr. Wells, Mr. and Mrs. C. O. Bergren and family. Mr. Wells' mother was truly a Washington pioneer, having settled in Wn. before it was admitted to the union.

"Do", "Don't" Rules Listed

If you want to be sure your letters and packages are getting through to your son, husband or friend out there with the Navy in the Pacific, take some tips released today from Navy postal authorities at thirteenth naval district headquarters.

DO be sure you have the correct address. If you fish around in your memory for that numerical designation and write 182 instead of looking it up and getting the correct number 128, your letter will be delayed about 90 days.

DON'T use nicknames. Send your letter to "William Gaylord Jones, CM3c, USNR, 847-32-15" even though to you he is "Bill".

DO wrap packages carefully. Use stout boxes, the heaviest of wrapping paper, plenty of strong cord, and—when necessary—metal packing cases. Don't send perishable foods. Pack each article in shredded paper to prevent its movement inside the package.

DON'T use paper stickers on packages. They fall off when they get wet. Write addresses with ink on both sides of package.

DO write often. The navy postal service wants you to help out by being accurate and cooperative but they want you to write your Navy man frequently. It is true that mail is one of this war's greatest morale factors. You are the only ones that can write the letters. Send them properly, and the Navy will see that they get there.

Cabinet Agency Taken by Store

The Bush Furniture store has taken the agency for distribution of frozen food cabinets Jewett A. Bush, Jr. announced this week and orders for the equipment are being taken now for delivery in 30 days. The cabinets for use in homes are made by four, six, eight and 16 cubic foot sizes and operate from 10 degrees above to 10 degrees below zero.

The cabinets have formerly been made for the government but have been released now for sale to civilians. The store's sale territory is half of Columbia county including the Nehalem Valley.

23 Lives Taken As Traffic Toll

Traffic accidents claimed a toll of 23 lives during the month of March, according to figures announced by Robert S. Farrell, secretary of state. Of the total, eight or 36 per cent were pedestrians.

In addition to the eight pedestrian fatalities, there were eight fatal accidents involving collisions between two cars, three involving non-collision accidents and one vehicle-train collision. Thirty-two per cent of the fatalities resulted from accidents

Those Who Are in It

GRADUATES — The army air forces training command announced last week that S-Sgt. Francis Earl Davis of Vernonia was graduated from the camera technician's school of Lowry Field, Denver, Colorado.

Camera technicians in the photography school on Lowry Field are given thorough training in the care, maintenance and upkeep of all photo equipment used by the army air forces. Courses in shop practice, basic electricity, installation and maintenance of aerial cameras make up a part of the student's curriculum.

S-Sgt. Francis E. Davis is the son of Mr. and Mrs. Carl A. Davis and attended Vernonia grade and high schools. He entered the service on Sept. 16, 1940 at Fort Lewis, Washington.

IN PACIFIC AREA — Pfc. Neal Bush is now stationed somewhere in the Pacific area and is serving with a B-29 group in connection with legal work. He formerly was a lawyer with offices here and at Hillsboro before entering the service.

occurring in rural areas. The urban toll was unusually heavy in March, Farrell said, with fatalities reported in Portland, Baker, Astoria, Eugene, Salem, McMinnville and Hillsboro.

Mothers and Children Fete Natal Teacher; McMullen Makes Sale

NATAL — Mrs. Carmichael and son, Bill, were dinner guests of Mr. and Mrs. Noble Dunlap last Wed.

Dave McMullen has sold part of his ranch to Max Oblack.

M. B. Steers was down Sun. and got his turkey eggs from Max Oblack.

Pfc. William Carmichael left Sun. for Portland. From there he was to catch the 5:30 train for Santa Barbara where he will be stationed for the next two weeks.

The V. W. Berg family and the L. Carmichael family spent last Sat. eve. with the Steers family.

The Natal school children and mothers have held a party at the school Wednesday for their teacher, Mrs. Gladys Moran.

Noble Dunlap and Austin Corll visited grange at Birkenfeld last Thurs. eve.
