**WORLD'S GREATEST NAZI GESTAPO SYSTEM — FACTS THAT WILL AMAZE YOU**

The Columbia county assessor has a perfect Nazi Gestapo system for taking land off the tax rolls. The assessor increases the valuation on land over 500% in one year and when you take it before the equalization board you come up before the County assessor, the county clerk and a judge and they decide to compromise and cut it to just a little over 100% or 9 acres worth \$27.00. they raise the valuation from \$47.00 to \$115. instead of \$260 which they tried to soak the owner for. If that isn't a Kangaroo, strong arm, Nazi, gestapo racket I never saw or heard of one. I am going to take it up with the Tax commission and if they decide the county needs this 9 acres of brush they will have to take it, but it makes me think of grand Larceny by force. Columbia county needs a house cleaning in the worst way and if the property owners want to hold their homes they will have to wake up and vote these old office holders out and vote in some one, just anybody who has some knowledge of property or brush land values and overflow lands. Assessor Fred Watkins - Clerk J.W. Hunt and Judge Ray Tarbell could at least put in \$38.33 each and buy this 9 acres so it would stay on the tax roll, or would they pay

taxes on brush and stumps over 5 cents per acre, I wouldn't. Here's a buy, anybody wanting this 9 acres for less than assessed valuation, just come and get it. C. Guptill. 251—Vernonia, Oregon

**THE OLD JUDGE SAYS...**

**FRED:** "Is it true, Judge, that a war can't be won without the use of war-alcohol... the kind the beverage distillers have been producing for the government for over 10 years?"

**OLD JUDGE:** "That's right, Fred. It is a basic ingredient in the smokeless powder used in virtually every firearm from a pistol to a 16-inch gun. And, in addition, it plays a more human role. The medical supplies which our military doctors use to alleviate pain, combat infection, save lives are prepared with war-alcohol."

**FRED:** "No wonder, then, more and more people are recognizing the great contribution our beverage distillers have made to the winning of the war with their double-duty product."
