### Recent Activities Are Tabulated

RIVERVIEW — Our women and children who have been workers in the berry fields and farms have finished work and are enjoying a much needed rest.

Mrs. Frank Mills went to Portland recently and visited relatives there. Mr. and Mrs. Cleone Woodruff brought her home and spent the night here. On that Sunday, accompanied by Cleone's parents, Mr. and Mrs. Harry Woodruff, they motored to Rockaway to spend a week with a brother, Harley Woodruff, who has a tourist park at that place.

Mr. and Mrs. G. F. Crawford and children, Michale Joe and Jimmie, accompanied by Mrs. Bacon and son, Kenneth of Vernonia, went to Toppenish, Wn. to celebrate and visit relatives. One of their hostesses will be Mrs. Henry Maxwell who is great, great grandmother to the Crawford children, baby Jimmie being her only great, great grandson. The gentlemen returned first while the rest of the party went on to Lewiston, Idaho for a leisurely visit with other relatives.

Mr. and Mrs. Ray McAdam and son, David, motored to Rainier where David remained to spend the 4th with his brother Charles and his grandparents.

### Riverview Home Being Remodeled

RIVERVIEW — Mr. Clarence Fowler of Jewell was here for a four-day visit with relatives and friends recently.

C. Bruce, who has been a pneumonia victim in a Portland hospital for some time is improving.

Mrs. Clarence Seale and son Harold of Oakland, Cal. spent a recent short week end with Mrs. Robert Wyckoff and daughter, Laurel.

The Clifford Fowler residence is being enlarged by a two-story 12' by 24' addition on the north side. The structure is being placed on cement blocks and will be warmly lined throughout, giving this home more than two times the floor space it formerly had.

When death strolled through Riverview and placed his hand on one of our best loved neighbors, H. M. Condit, it left all with a feeling of having been robbed of something precious and dear, and to none so much as to his wife, children and grandchildren to whom all hasten to extend sincere sympathy. Our youngsters, especially, will miss Mr. Condit, as he has driven the school bus through here for a number of years.

The new greenhouse which is under construction on the W. J. Lindsley property is nearing completion and Mrs. Lindsley states that she expects to be doing business by the middle of July. Just one more step, and one that deserves a large success, in the betterment of Riverview.

Mrs. Lee White returned to her home recently from Portland where she had undergone an appendectomy. We are all glad to hear that she is making a good recovery.

Mr. and Mrs. Albert Nelson were in Kennewick to get their daughter, Beverly who had spent a month with her grandmother there.

Mrs. Melvin Shaver and daughter, Verna, came from Lebanon recently and spent a week end with the Fred Shaver family and with Mrs. Carl Snyder of Vernonia.

*One Blazing Match can destroy a Forest*

Only one match, carelessly tossed away, may result in the destruction of thousands of acres of growing trees.

It's so easy to prevent this needless loss, for which all of us pay. Simply break your match before you throw it away. Then you know it's out. Never toss away a burning cigarette. Never leave a campfire without knowing not a spark remains.

Acts of carelessness cause the great bulk of our annual \$40,000,000 loss from forest fires, which also impair the capacity of forest lands for regrowth. The cooperation of all is needed to defeat this enemy of our forests.
