## Families Move To New Homes

RIVERVIEW — Miss Martha Wells spent three days of this week in Portland with her grandparents, Mr. and Mrs. Roy Beck, while having dental work done.

Guess we had one sleepy eye last week when our good neighbors, the Ray McAdam family, moved to their home across the Nehalem. We appreciate the fact that they are yet near enough to be neighbors.

Mr. and Mrs. Wm. Taylor and family of west Riverview are now located in the house formerly occupied by Mr. and Mrs. Fred Henry, having moved Thur. This home is on 3rd street N. of mile bridge.

Roy, the young son of Mr. and Mrs. W. O. Higley, was a

very sick boy Fri. and Sat. suffering with fever and delirium which the doctor thought could be scarlet fever so placed a contagious sign on the home for safety's sake. We hope Roy will soon be well.

### TABLE FOR TWO

It's mighty nice to show your appreciation, and there's a mighty easy way to do it. Take your best girl out to dine; do it often and be sure you take her where the food is tops.

### CHAT 'N NIBBLE

## HOT BUGGY

This can happen to you, but it certainly isn't necessary. Take a look at the expression on the gentleman's face and you can see why regular scheduled servicing at HEATH'S would have been worth double the price just to avoid the grief.

If you can take a hint, and we think you can, then put your car on a regular diet of SIGNAL PRODUCTS, keep down its blood pressure and keep it cool for longer usage.
