Vernonia, Columbia County, Oregon

Plowing on

Tree Farm

Started Thurs.

Planting of Seed,

Young Trees Will Start Here Soon

In order to inform people of

this area of the progress in de-

veloping the Crown-Zellerbach

tree farm, "An Old Logger" has

written a letter which tells of

Tuesday of last week an ex-

periment was started by local

employees on the Columbia Coun-

ty Tree Farm of the Crown-

Zellerbach corporation which

should be of interest to you and

Our local tree farm can truly

be called a farm for there is a

tractor and a twenty-two inch

breaking plow at work in the

upper reaches of Coal Creek pre-

paring the ground for an exper-

iment planting of both seed and

level contour eight feet apart.

As soon as the seed bed is pre-

prepared young trees & seed are

to be sent down from one of

Crown-Zellerbach's tree nurser-

cultivation there has become an

attendant factor in successful

tree farming. While the rough

terrain of the Douglas Fir reg-

ion offers more problems than

the rolling hills of our southern

neighbors, I am sure that should

this initial planting produce the

desired results, that the "Know

How" of our northwest loggers

Furrows are being plowed on a

present activities. He writes:

Dear Editor:

our community.

young trees.

ies to be planted.

Council to Get New Officers for Polio Chapter Selected Nov. 8 **Cost of Corey** Members of the Columbia

Vernomi

Maria Larmond Indiana

Fire District Rules Adopted by Third Reading Wed. Eve.

Hill Proposal

At the postponed meeting Wednesday evening instead of Monday of last week, Vernonia city councilmen received petitions signed by residents living west of Rose Ave. asking that consideration be given towards constructing a sewage disposal system, for that part of the town. In order to obtain a complete picture of the project the council is seekinformation as to costs so ing that later decisions may be based upon more concrete data than was available Wednesday.

The council also heard the third and final reading of an ordinance authorizing fire protection service outside the city limits. The ordinance is given on another page.

Seal Chairman **Named Tuesday**

The naming of a Christmas Seal sale chairman and the committee to work with her in this area was part of the business completed Tuesday evening at Clatskanie at the meeting of the Columbia County Public Health association. The meeting was called by President Paul Gordon in order that appointments might be made so that the sale can be started soon. Also attending the meeting at Clatskanie as a Vernonia representative was Ray Mills, high school principal.

Named as chairman this year is Miss Velva Ramsey, Lincoln grade school principal. Her committee for the sale here will be Mrs. C. L. Anderson, Mrs. Harry Sandon, Dr. R. D. Eby, Mr. and Mrs. Judd Greenman, Mrs. A.J. Hughes, Mr. and Mrs. Ray Mills and Mr. and Mrs. Paul Gordon.

The county quota of funds to be raised by the sale this year is double that of last year due to several reasons. The reasons

county chapter of the national foundation for infantile paralysis met in the county court room in St. Helens November 8. The purpose of the meeting was to reorganize the chapter and elect officers until the next annual meeting. Judge Ray Tarbell, who has been the chapter chairman for the past several years and Otto H. H. Peterson tendered their resignations. The history of the chapter was reviewed by Mr. Petersen, who pointed out that it was first organized on November 7, 1941. The original officers were George Caldwell, chairman, Judge Ray Tarbell, vicechairman, Nettie Alley, secretary, and Otto H.H. Petersen, treasurer. Due to the death of a number of the officers and charter members, and because some have moved from the county. only two of the original group were present, Judge Tarbell and Mr. Petersen. A vigorous chapter is needed because this county has had quite a number of minor cases as well as one very serious case which is still an obligation. The latter case has already cost \$3,500.00. The chapter having long since expended all its funds, has applied to the national chapter for an advance of \$1,500.00. Knowing that there will be heavy expenditures to face during the next fiscal year

and knowing that during the last several years the per capita raised in Columbia county has been less than eight cents while the state average has been well over twenty cents, the officers felt that a complete re-organization and increase in membership was sadly needed.

Otto H. H. Petersen was elected chapter chairman, Ben Coleman of St. Helens, vice-chairman and Thelma W. Amick, secretarytreasurer. The chairman appoint-

Dentist Opens Office Monday

Dr. J. Kriegel opened his dental office here Monday morning and will again provide this community with a service it has lacked for several years. The office is located on the second floor of the Joy Theatre building in the space formerly occupied by Dr. U. J. Bittner when he practiced here. Dr. Kriegel come here from Portland where he formerly maintained an office. Assisting him here is Miss Esther Robertson. The dental office will not be open on Thursday due to the fact Dr. Kriegel is teaching that classes at the dental college in Portland.

ed Ben Coleman county fund raising chairman, Mrs. A. R. Dorris, Scappoose, chairman of women's activities, Mrs. Jennie Shatto, Scappoose, chairman of education.

Supplies for the fund raising campaign, which will be conducted from January 14 to January 31, were ordered. Mr. Coleman said that the would announce the appointment of the various community fund raising chairman at an early date. Mrs. Dorris will appoint a woman's activities chairman in each community and Mrs Shatto has planned to distribute educational material on infantile paralysis.

NEWS COUNTY

RAINIER HIGH HAS PLATE LUNCH FOR 15 CTS.

RAINIER-A new plan is being tried out at the Rainier high school cafeteria. A full plate lunch is being served for 15c. This plan was started November 1 and will be tried for a month on an experimental basis. It is hoped that enough students will start to take this cheap lunch that the plan can be continued. The school makes no profit

on the lunches served, but hopes to break even on the cost of serving the lunches.

VETERAN'S SERVICE COMMITTEE WILL MEET

CLATSKANIE - Local representatives from veteran's organizations, the American Red Cross and agricultural agencies are notified of a meeting to be held in St. Helens in the high school at 1 p.m. on Thursday, November 15.

A county organization of local veteran's service committee has been formed and all veterans of World War II are invited to this meeting to present their prob-

THOSE WHO ARE IN IT TOUSLEY GETS AWARD

Eagle

Library.

Science, Cleveland, Ohio, awards were presented to outstanding members of the junior and senior classes. Arthur Herbert Tousley, son of Mrs. Leatha E. Tousley, was among those receiving awards. Arthur received the civil engineering department award for high scholastic average. He was graduated from Vernonia high school in 1943 and attended the University of Washington before coming to Case. Arthur is a member of the naval V-12 unit at Case.

DISCHARGED

Pfc. Joe Eggert arrived here Saturday after receiving his discharge from the army at St. Louis. He had completed 34 missions in the service in which he spent 18 months in the Pacific theatre as a radio operator. He plans to work at the mill.

Geo. Craford was a visitor here last Wed. at the Frank Lange home from Seaside. He was recently discharged from the air corps after serving in the Pacific area and is logging now near Seaside with his brother, Jack, who was also discharged recently from the service. Another brother, Alfred, was given his discharge a short time ago.

A recent letter received here from FC1c Thurman DeHart tells that he was scheduled to start home from Manilla the 14th. that is Wednesday of this week.

DISCHARGED

Three more discharges of local men from the service include those of Tom Bateman, Larry Marshall and Arthur Spofford. The first received his papers last Friday at Bremerton, the second Nov. 9th at the naval personnel separation center in Shoemaker, Cal., and the third at Bremerton Nov. 2.

HERE ON LEAVE

Paul Coburn, arrived here a few days ago on a 30-day leave after seeing service in New Zealand and the Solomon Islands.

AT FORT LEWIS

Power Rates Proposed for **REA Here**

Thursday, November 15, 1945

Thurs., Nev. 15, 1915

Nominating Committee Named; Annual Meet Scheduled in Jan.

The board of directors of the West Oregon Electric Coop met Tuesday evening of this week to hear the proposed rate structure for this area when connection is made with the source of power at Bonneville dam. The proposed rates will be lower than the present rate structure due partially to the lower purchase price of the power from the Bonneville administration, yet will provide an adequate return to meet payment obligations of the cooperative.

The board named a nominating committee of seven men who will select candidates for the board at the annual meeting January 8th. The January 8th date will mark a year of service for the present board.

The board also heard a report concerning the new line construction, which is nearing completion, and which informed members that the line would be used only as a standby for the time being should present sources of power fail for some unexpected reason. The present picture is that the line will not be connected with Bonneville power until arrangements can be made to synchronize the local system with the new source. That' may require several months depending upon how quickly contracts for additional work can be ratified and carried out.

The final action of the meeting Tuesday wasthe acceptance of the resignation of J. W. Nichols. as the cooperative manager, his resignation to be effective immediately. Upon request by the directors, Mr. Nichols will remain until Jan. 1st.

Home Nursing Campaign Starts

The campaign to create extensive interest in the study of home nursing and to start a class here for study of the work Tear point Thursday, yesterday, where tentative = arrangements were were worked out at a meeting at the Legion hall. This meeting was held for the purpose of signing up candidates for the class which will start in this community soon and which will give instruction on the work. The American Red Cross embarked on the drive this fall to have at least one person in every home prepared to meet the emergency of sickness at home. The Red Cross believes that each family should take on itself the responsibility of helping to build a stronger and healthier America. The instruction will be given by a teacher from St. Helens when the time and place have been arranged. Those people who have not yet signified intentions to take the course may do so by calling Mrs. Harry Culbertson, phone 63.

At the recent honor day assembly at Case School of Applied

DISCHARGED

The experiment is being noted TO START HOME with a great deal of interest as it is something new in the Douglas Fir region. In the southern pine cultivated forests have proved very productive and

mentioned at the meeting are the added cost of the mobile x-ray unit which may return to the county next year, expenditures for a hospital patient and the planned dental inspection in county schools. The quota for the county is \$8,000 this year.

Hoop Practice Started Tues.

Basketball practice for the Loggers started Tuesday of this week with a turnout of about 25 prospects, Coach J. Hergert said Wednesday when he mentioned that Vernonia's first game will be with Forest Grove there on December 14th.

1

1

The turnout of 25 will probably grow for several boys who have been playing football did not appear for the first showing but will be out later.

The Logger's schedule of county league play was drawn up at the county schoolmaster's meeting in St. Helens November 5th but several other games with teams outside the county will be played. Two with Forest Grove are dated for Dec. 14 and Dec. 28 and others will be added later. The county schedule appears on page six.

Stevenson Wins

The Logger ball club met Stevenson high school there last Friday on a snow and slush field to lose 41 to 0 in a game scheduled to end the season's play. Much of the spirit exhibited earlier in the season which gave the Loggers several wins was absent in the game Friday.

Bowerman Quits Constable Post

The office of constable for the Vernonia precincts is vacant as of yesterday, November 15th, according to an announcement made that day by L. G. Bowerman. He has held the office for five years.

The vacancy will be filled by an appointment of the Columbia county court until the next election.

tory bond queen contestant to

represent this vicinity in the

county contest, Mrs. Ben Brick-

el, local chairman, announced

this week after the entry had

been turned in. Applications for

entering the contest may still

be made should anyone here

wish to enter another candidate

by representing a minimum of

\$5000 in bond purchases. Ap-

assigned to it, according to D. O. Bennett, county chairman, who states that of the \$18,827 allotted this county, only \$8,013.27 had been turned in as of Friday, Nov. 2nd. This represents the whole county and is the sad, but true, picture, he says.

D. C .Slaght, St. Helens area chairman states that St. Helens is above the county average, but still has nothing to shout about. The assigned quota for St. Helens was \$8,900 of which approximately \$5,345 has been turned in.

COUNTY OPA OFFICE TO BE IN PORTLAND

ST. HELENS - Columbia county's war price and rationing board, functioning through the war years in the building next door to St. Helens post office, will be moved to Portland and consolidated with 25 other boards of the Portland area on November 28.

Notice of the change came from Lewis J. Bronaugh, district price executive, who expressed his appreciation to volunteer members of the board and staff during the war years.

Respectfully, "AN OLD LOGGER"

ing will be some time later in

the winter. I will keep you post-

Bedside Shop to Get Party Gifts

The American Legion Auxiliary is planning a Christmas party at the Legion hall for Monday evening, November 19th. The public is invited to attend this affair, being sure to bring a gift for the bedside gift table shops. Gifts brought by people attending the party will be used to supply these shops from which servicemen in veterans hos-

pitals may select gifts for their families. These gifts are placed on tables and wheeled from bedside to bedside where selections may be made without charge. Gifts need not be wrapped although Christmas wrapping; would be appreciated.

Dancing will furnish the evenig's entertainment and refreshments will be served.

Victory Bond Queen Candidate Named

Mary Katherine Norris, daughplication blanks are obtainable at ter of Mr. and Mrs. Claude Northe Joy Theatre, ris, has been named as a vic-

Every bond investment of \$18.75 made up to December 1' will entitle the purchaser to one vote for the candidate. The winning candidate will go to St. Helens to participate in the county finals with winners from other towns at a date to be announced later.

Mrs. Brickel has arranged for the deposit of ballots for the queen contestant and for the

Dodge car stubs in boxes placed at the post office.

House-to-house solicitations are in progress by local committee members under Mrs." Brickel's supervision and contacts respective to bond buying by O-A employees will be made starting early next week.

The quota for this area has been set at \$37,500 for E bonds and the county E bond quota is \$250,000. The county overall quota is \$620,000.

Dean S. Brady is stationed at Ft. Lewis and will be there for some time to attend a school. He has had the privelege of a week end pass for every week since being stationed there.

IN TEXAS NOW

RIVERVIEW -Harold Fowler of the air corps sent word to his parents, Mr. and Mrs. Clifford Fowler this week that he is now stationed at Shepard Field, Texas, where he will take his basic training.

AT UNIVERSITY

RIVERVIEW --- Mrs. Blanche Millis states that her son, Max, USN, who has been stationed at Corvallis, is now a student at the University of Colorado at Boulder, Colo.

REPORTS FOR DUTY

Capt. Lowell Hieber left Tuesday for Fort Huachuca, Arizona.

AT BASE HOSPITAL

Mrs. L. Mosman has received word that her son, Henry Mosman, MM1c, of the navy was injured Oct. 28th and is now at the base hospital in San Francisco Cal. He is a twin brother to Mrs. Gene Shipman.

(More 'Those Who', page 6)

Harvest Service Dated

The annual Harvest Home service of the First Christian church will be held Sunday morning. Fruits, fresh and canned and products of the garden will be brought to the church and displayed at the service, then these products will be given to the Northwest Christian Home for the aged at Beaverton. The church has held such a service for the past several years. The public is cordially invited.

Principals Name Team to Play

Ray Mills, high school principal, was in Forest Grove Monday as this area's delegate at a principal's meeting of the northern section of division 3 to decide the football team representative for the playoff with the southern division of the section.

Two teams had applied for consideration, McMinnville and Columbia Prep, and the former was selected by the principals. Coach at McMinnville this year is Orile Robbins, who coached here previous to entering the McMinnville school system. His team will play Cottage Grove this Friday for championship of the section.
