## Name Honors Mott Memory

The secretary of the navy, James Forrestal, has designated the pier area at the U.S. Naval Station, Tongue Point, Astoria, as Mott Basin, in honor of the memory of the late Representative James W. Mott, Republican, of Oregon, who was the senior minority member of the house naval affairs committee at the time of his death. Representative Mott was a staunch advocate of a strong navy, and his last effort in behalf of the navy was a bill to prevent the disposal of any major ship or boat without the consent of congress.

The basin will be dedicated on Wednesday, April 24, at 2:30 p.m. by the late Oregon representative's widow, Governor Snell of Oregon, Rear Admiral Randall Jacobs, members of the house naval committee, and Captain Ligon B. Ard, who will be in command of the basin. A crowd of between five and seven thousand persons from this area is expected to gather to witness the ceremonies.

Of particular interest is the fact that Mott Basin, which lies in a cove in the Columbia river, six miles from the Pacific, was formerly a naval air station. At the present time it is being converted to a naval station, which will berth hundreds of ships of the nineteenth fleet. Docks and piers are now partly constructed, and soon conversion will be complete, making Mott Basin, one of the finest naval establishments in the nation. Of especial importance is the plan to berth the major portion of the navy's inactive fleet on the west coast at Mott Basin.

## Farewell Party Given at Mist

MIST — Mrs. Chas. Sundland visited last Tuesday with Mrs. Arbie Mills on the Fish-hawk. A farewell party was given at the home of Mr. and Mrs. Wm. Bridgers last Thursday evening for Mr. and Mrs. L. E. McGee who are moving to Vernonia to make their home. They were presented with a beautiful electric lamp by their friends. A delicious lunch was served during the evening.

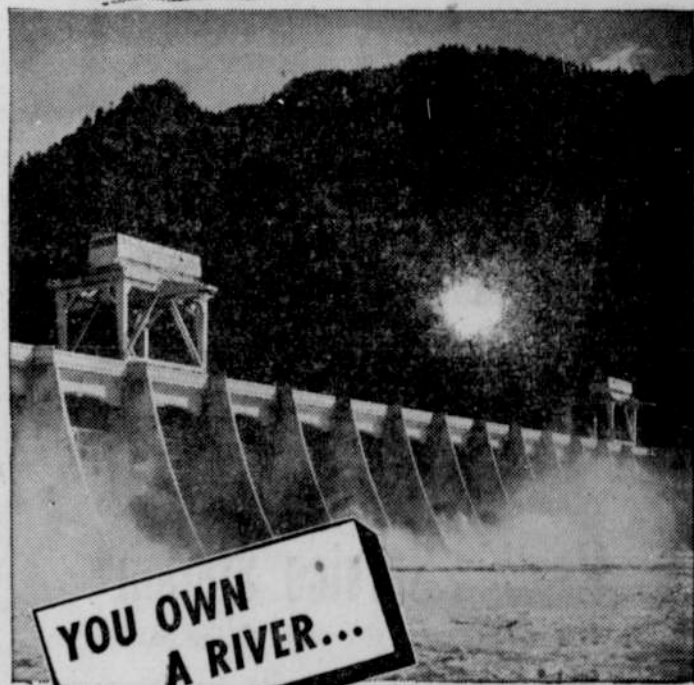

Sonny Wickstrom was a Portland visitor Tuesday. Austin Dowling is nursing a very sore toe caused by dropping an oil barrel on it Monday.

Delmar Jones went to Clatskanie to work in the mill this week. The Wickstrom folks were in Hillsboro one day last week.

Mrs. Wm Bridgers went to Seaside Tuesday taking their guests, Mr. and Mrs. A. J. Anderson from Oklahoma with them. Their son, Dean, was also in the party.

## Grangers Grow Social Crops that benefit all Oregonians

YOU OWN A RIVER...

THE GRANGE in Oregon long has been the foremost exponent of the principle that the mighty Columbia river and its tributaries belong to the people—all the people—and should be developed for their benefit.

The hydro-electric energy of these streams is our greatest Northwest resource and should be made available to all. Through its sponsorship of People's Utility Districts, rural electrification cooperatives and municipal ownership of public utilities, the Grange is progressing toward its goal of bringing low-cost light and power to every Northwest home and industry.

Projects of this nature are as vital a part of Grange activities as better agriculture itself. That is why 28,000 progressive farmers belong to the Oregon State Grange — why membership continues to grow — why the Grange is a dominant force for social progress.

Information about the purpose and accomplishments of the Oregon State Grange is contained in a booklet "Let's Look at the Record". Contact your local Grange for copy, or write direct.
