## SOMETHING to REMEMBER

The West's great cattle industry, born in 1860, a year before the Civil war. The beginning: A few siney beasts of burden—exhausted Oregon Trail oxen—fattened into beef stock on Montana territory's lush pastures. Today "beefsteaks" from Montana are premium quality!

**Something Else to Remember**  
The smooth, satisfying mellowness of Corby's! Even before the historic cattle incident in Montana, Corby's was a grand old Canadian name synonymous with fine whiskey. Today Corby's, a light, sociable blend, carries on this quality tradition. Ask for it next time!

PRODUCED IN THE U.S.A.  
under the direct supervision of our expert Canadian Blender.
