American 'Real Income' In April Off 19 Cents On \$1 From Year Ago

PURCHASING POWER APR 1945 vs APR 1946

THE above chart, showing how the average American fared in national income changes in the last twelve months, is based on the monthly consumers' study of Investors Syndicate of Minneapolis.

The American public in April had a "real income" of 81 cents, or 19 cents on the dollar less than in April, 1945. This "real income" is not a subtraction of cash income and expenditures but an average relative of these figures designed to show how living costs affect adjusted income dollars.

Cash income of the American public in April was 84 cents for every \$1 a year earlier. The following changes per dollar were: wages off 26 cents, salaries off 24 cents on the \$1.00; investment income at \$1.04 was up four cents and other income at \$1.00 unchanged.

Rents in April were unchanged compared with a year ago. Food was up four cents, clothing up five cents and miscellaneous items up four cents.

The cigarette that is 100 per cent less irritating is the one that is dead out. Besides the economic loss by reduction of raw material, many man days of vitally needed labor are expended fighting forest fires. Do your part. Let's KEEP ORGEON GREEN.

Craig Outlines NSLI Policy

More than 3300 Oregon veterans reinstated in excess of \$3,000,000 in lapsed National Service (G.I.) life insurance policies last month, according to Thomas M. Craig, veterans administration representative in this area who was here yesterday.

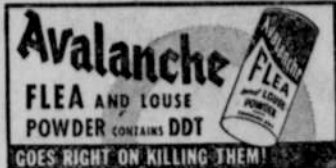

"This huge amount of salvaged insurance," Craig says, "comes from veterans who have allowed their government insurance to lapse since leaving the service, but who have decided to reinstate it under the new ruling that allows veterans to do so up to January 1, 1947, by payment of only two months' premiums, and with no re-check physical examination necessary."

Craig stated that these salvaged policies represent only those that have been reinstated through Veterans Administration offices in Oregon. "We have no way of telling," he said, "how many more have requested reinstatement directly to the central insurance office in New York City."

Local veterans may reinstate their NSLI policies at the City Hall, Vernonia, where Craig is available to veterans on Wednesday of each week. Present policy holders may mail their premium payments to the VA office in Portland, 1019 S.W. Tenth avenue, or to the main insurance office in New York City, he said.

In baseball a runner is either out or safe, but in the great outdoors vacation land of Oregon a fire must be out to be safe. Play ball with nature. KEEP OREGON GREEN.

A fool and his money are soon parted. The forests of Oregon represent many millions of dollars to the Oregon taxpayer. Don't be foolish. Use extreme caution with fire. KEEP OREGON GREEN.
