

Thousands of foreign born brides of American servicemen now are coming to the United States to join their husbands. Red Cross workers take charge of the "bride ships" playrooms, passing out toys, helping soothe the weary children and relieving the mothers. The happy young mother in this picture came from England, was bound for Detroit.

Many Vets Making Use Of State Loan Service

A recent trend toward use of the World War II veterans state loan for the re-financing of existing mortgages and contracts

Ladder Play

It is evidently going to take an expert to push Tom Bateman off the top rung of the ladder standing of the Vernonia Country club. Tom has held the position for a good many weeks and dares any other member to challenge him for a round of play. The ladder Tuesday stood the same as last week. It reads:

- Tom Bateman
- Kent Bauersfeldt
- Ed Reichwein
- Paul Dyer
- Calvin Davis
- Ben Brickel
- Frank Hartwick
- Jack Anderson
- Leel Roberts
- Jim Davies

against farms and city homes has been noted in the application of this benefit to Oregon's recently discharged servicemen, department of veterans' affairs loan officers disclosed this week.

A considerable number of applications for the state loan of up to \$3000 currently are being made with the idea of retiring existing contracts against property purchased by World War II vet-

erans, loan officers said. This use opinion handed down by the state of the veterans' loan was ap-attorney general, it was pointed proved several months ago in an out.

SAINTS WIN SUNDAY GAME

Vernonia's diamond rating to date this season rides the .500 mark with a loss Sunday to St. Helens. Sunday's count could just as well have given the Saints the small end of the 2-3 score, but fate didn't work it that way.

Vernonia's big inning was the third when Gordon and Brandeau both made the round trip and Girod covered three-fourths of the way. Szedlak in the 4th and J. Miller in the 7th scored for St. Helens and not until the 10th did Cody add the final tally.
