Vic Vet says

A LOAN GUARANTEE BY THE VETERANS ADMINISTRATION IS A VALUABLE PRIVILEGE - USE IT WISELY.

For correct information contact your nearest VETERANS ADMINISTRATION office.

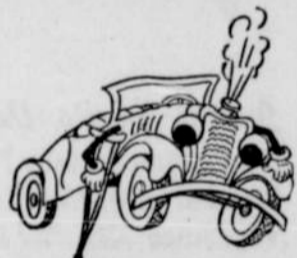

Course Change Needs Approval

Even a change of major course within the same school or college by a veteran studying under the G.I. bill or public law 16 requires approval of the veterans administration and should be requested immediately, Tom Craig, VA contact representative in this area, warned. Craig meets with veterans each Wednesday at the city hall to give assistance on vet problems.

Course changes call for different cost estimates and these necessitate new VA approvals, Craig explained. Requests must be in writing and state reasons for the changes, just the same as in requests for transfer to other schools.

The VA is able to handle these requests rapidly now, but a last-month rush of requests is feared just before opening of school this fall, Craig said. A counseling and advisement service is available to all veterans applying for educational benefits, he added.
