Friendship Members Enjoy Meeting Wed.

RIVERVIEW — The Friendship club met at the home of Marvel Chalmers on Wednesday. An unusually large number answered to roll call. They were: Trilla Anderson, Ella Wood, Ida Condit, Mabel Graves, Ruby Biggs, Mrs. Fonda, Mrs. George Miller, Bertie Bassett, Mabel Mahar, Mrs. Brown, Grace Mathews with her daughter and Freda Biggs and her two children.

A pot luck lunch was enjoyed by the ladies.

August meeting will be with Ruby Biggs on the 15th of the month. The annual birthday gift exchange will take place at this meeting. It is hoped every member will be present.

Marriage Rites Spoken For Couple Friday

Marriage vows were spoken for Harry Clifford Lines and Myrtle Lines, recently from Wisconsin, on Friday evening, July 19, with Rev. Allan Backer officiating.

The ceremony took place at the home of Mrs. Charles Roswurm on Weed avenue. Attending the bride and groom were Miss Ruby Lines, daughter of the bride, and Frank Lines, brother of the groom.

Refreshments of ice cream, cake and coffee were served to eighteen people who attended the ceremony.

Party Friday Evening Is Birthday Surprise

Friends of Helen Spofford surprised her Friday evening with a birthday party. She was working in her garden when she noticed some women talking on the street corner. Thinking they were pickers who had gathered there to talk about their pickings, she continued with her weeding until the group sang out "Happy Birthday."

They brought gifts and refreshments. The evening was spent playing cards.

Neighbors of Woodcraft Plan Future Meetings

The Neighbors of Woodcraft held their last meeting at the home of Neighbors Lois and Grant Thayer. It was decided at that time to hold future meetings in the I.O.O.F. hall on the first Thursday of each month.

Members are desirous of having all Neighbors out for the meeting at the hall on the first day of August. Nehalem Circle will also be very pleased to have any visiting members come on any first Thursday of the month.

At last meeting Neighbors had the pleasure of a visit from Oza Mae Buchanan. She is a member of Nehalem Circle and had not been here for eight years. She has been on vacation for a month or so and has been visiting friends here, and at around Spokane, Washington. She makes her home in Los Angeles.

Marriage Ceremony Read Last Thursday

Wedding rites for Lucile Chambers and Benjamin J. Fowler were read last Thursday evening, July 18, at 7:00 p.m. The ceremony took place at the Evangelical church parsonage and Rev. Allan H. Backer officiated.

Attending the couple was the groom's brother and sister-in-law, Mr. and Mrs. Hal Fowler.

Mr. and Mrs. Fowler are making their home on the old Wood place on the Stoney Point road where a house warming and charivari was held Saturday night with 25 people present. Part of the evening was spent enjoying music furnished by Gene Cleveland, Hal Fowler and Andy Brimmer.

To enhance an impressive list of manufacturing "firsts," Chevrolet now engages in another pioneering venture as the first motor car manufacturer to sponsor a regular commercial television show. Admittedly an exploratory venture to evaluate the possibilities of television as an advertising medium, these broadcasts were the first employing live talent to be sponsored by any automobile

producer. Four weekly shows were staged by Chevrolet and broadcast through the facilities of the American Broadcasting Company's television network. The shows were televised at the Dumont Studios in New York for the three stations currently teamed in the ABC television network. Shown above is a scene from the second of the series, a half-hour program titled "Roads to Romance."

Help Keep Oregon Green by obeying all state and national forest regulations; by putting out your cigarettes before throwing them away; by completely extinguishing all campfires before leaving them, either by covering them with damp earth or saturating them with water; and by reporting all fires immediately to your nearest fire warden.

Protect Our Forests from Fire!

Forests are important to every state in the Union, because everybody needs things made of wood, or derived from wood. All our forest lands, in one piece, would make a tract 387 miles wide, stretching almost from Atlantic to Pacific. To protect them from fire is a job for all Americans. It's one way to keep our forests perpetually producing the products we use . . . and the jobs we need.
