LOCAL GOLFERS SUN. WINNERS

A local golf foursome added to their laurels Sunday at the Vernonia Country club by defeating a foursome from the Westinghouse Electric Supply company of Portland. The Westinghouse company is one of the charter members of the club and representatives of that firm make frequent use of the local course.

The local foursome was made up of Ed Reichwein, Floyd Ensworth, Frank Seelye and Harry King, all associated with the West Oregon Electric while Westinghouse was represented by Ernie Huggill, Fred Graten, Russ Brandt and Carl Erickson. Mrs. Brandt, Mrs. Graten, Mrs. Seelye and Miss Betty Boone made up a ladies' foursome for the day.

Rate Structure Being Studied

One of the things that has been and still is of interest to every consumer of electricity in this area is receiving minute study this week by West Oregon Electric officials and Henry Bazak, REA rate engineer from Washington, D.C.

Mr. Bazak, who was here Monday and Tuesday, and Frank D. Seelye, manager of West Oregon, were busy both days preparing a new structure of rates that can be put into effect in the near future.

Daughter Performs

Earline Carriker, daughter of Mr. and Mrs. Earl Carriker, gave performances on the Roman rings for three days of the El Dorado Springs, Mo., anniversary celebration a few weeks ago. Earline was there visiting relatives during the summer. She has had considerable training as a trapeze performer and has developed unusual ability.

OPEN SCHEDULE SPOTS FILLED

The two open dates on the Logger grid schedule for this fall were filled late last week by Coach J. Hergert and Principal Ray Mills so that a complete listing of games has been made up. Of the seven games, five are to be played on the local field.

September 21 will see the Loggers meet Tillamook here in a night game. This date falls on Saturday.

The other open date was October 11 and that has been filled with Columbia Prep, which team will also appear on the local field.

This was the first reunion since 1938.

As a parting gift to their parents the crowd presented them

First Week Short

This first week of school was a short one for students and teachers but the latter don't have a vacation even though the schools are closed. Scheduled today and tomorrow is the Columbia county teachers institute at St. Helens. This may be the only teachers' institute this year, no plans having been made for the tri-county affair.

The oldest church bells in America are at Trinity church in New York. Some of them came from London on the ship Favorite in 1797.
