RIVERVIEW—A large new hay barn is under construction on the Ralph McKee farm on Tenth St.; the Calister residence is carrying a new shingle roof; the Wirtz garage has a new composition roof and by way of improvement W. J. Lindsley has had an electric pump and tank installed near the greenhouse on his acreage on First street. Mr. C. L. Anderson did the installing and Mr. Lindsley is constructing a cover for both.

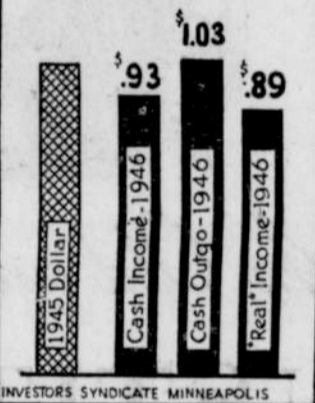

Mrs. Alice Boltinghouse who is making her home with her son, J. M. Peachey, left Friday of last week for a three week's visit with her daughter, Mrs. John Casey at Tacoma, Washington. Recent visitors at the George Carl home were her parents, Mr. and Mrs. P. J. Kennedy and their granddaughter, Barbara Allen Hall, of Seattle. The trio spent a week at the Carl home. Mrs. Kennedy and her granddaughter had just returned from a visit to Vancouver, B. C., and Port Angeles, Washington.

Mr. and Mrs. Chas. Beacom were guests Sunday morning at a farewell breakfast given in their honor at the J. A. Wirtz home. Another guest was Father John Goodrich, principal of and religious instructor at St. Mary's Boys' Home at Huber. Father Goodrich states that there are 130 boys enrolled at the home at this time. The Beacoms left Monday for their new home in Newberg.

American 'Real Income'
In June Off 11 Cents
On \$1 From Year Ago

PURCHASING POWER
JUNE 1945 vs JUNE 1946

THE above chart, showing how the average American fared in national income changes in the last twelve months, is based on the monthly consumers' study of Investors Syndicate of Minneapolis. The American public in June had a "real income" of 89 cents, or 11 cents on the dollar less than in June, 1945. This "real income" is not a subtraction of cash income and expenditures but an average relative of these figures designed to show how living costs affect adjusted income dollars. Cash income of the American public in June was 93 cents for every \$1 a year earlier. The following changes per dollar were: wages off 14 cents, salaries off 18 cents on the \$1.00; investment income at \$1.10 was up ten cents and other income at \$1.04 was up four cents. Rents in June were unchanged compared with a year ago. Food was up four cents, clothing up eight cents and miscellaneous items up six cents.

**Writer Lists Illnesses
Of Riverside People;
Visits Are Mentioned**

RIVERVIEW—On our sick list we have M. A. Oakes who has been bedfast for two weeks with a complicated heart ailment that requires absolute quiet; E. L. Lloyd who is quite ill at present; Mrs. Monty Dewey suffering with flu; and Joanne Sozoff who was out of school Monday due to a bad cold.

The City of Roses was visited by an unusually large number of our people during the past week. They are Mrs. Olof Jacobson, Thursday, who also transacted business in Vancouver, Washington; Mrs. Johnson Sozoff, Jimmie and Joanne, and Mrs. Walter King and Mrs. C. N. Van De Bogart who chose Friday the 13th for their visit; L. L. Wells and Mr. and Mrs. Herman Wood were there on Saturday; and Mrs. Merle Cline, Mary Ann Johns and Gordon Cline went over Thursday.

John Sozoff and his son, Jimmie, were Salem goers Sunday and Jimmie, a 7th grader remained in the capital city to attend school.

It takes a good jolt sometimes to emphasize the point—and the point is: Come to Dessy's for the best in beer in town.
