## IN MEMORIAM

One by one the links are broken  
From the golden chain of love.  
One by one may each be welded  
In the Father's home above.  
Not till the loom is silent  
And the shuttle has ceased to fly,  
Will God unroll the pattern  
And explain the reason why.

Whereas, a great sorrow and loss has come to the sisters and brothers of Mt. Heart Rebekah Lodge in the passing of our brother, Mike White, husband of our sister Margery.

Be it resolved that Mt. Heart Rebekah Lodge No. 243 extend to the family sympathy and love.

Resolved that a copy of these resolutions be sent to the bereaved family; also spread on the records of our Lodge.

GRACE CURRIE.  
FAYE DAVIS.  
EDNA GWIN.

... and **EFFECT**

This little act of carelessness is responsible for approximately one fourth of our forest fires, No. 1 enemy of the woods.

But the direct money loss isn't the greatest danger. Worse is the fact that lands frequently burned over lose their capacity for reproduction. America needs productive forest lands, not fire-blackened wastes, for America needs the things forests produce.

You can do your part by making certain your cigarette is out before you throw it away.
