

LOGGERS WIN 14-0 FROM TILLAMOOK

PASS ATTACK, DRIVE SCORE

The local football season started with a bang Saturday night for Vernonia. The Loggers won their first grid encounter 14 to 0 by measuring the Tillamook eleven in a game that gave Vernonia a chance to display a rather powerful team and also a ball tossing combination that produced the needed counters.

The season's opener against the Cheesemakers brought out some points Coach J. Hergert will try to iron out before this Friday night when the St. Helens Lions come here to renew the annual grid feud between these two county teams.

Fans who witnessed last Saturday's first half saw the Loggers reach scoring territory several times, but each approach to pay dirt ended with bad breaks that prevented a tally.

Both scores were second half events resulting from a pass attack of the team of Duke Byers and Jack Frank and power drives through the line with Renfro carrying the ball for the first score.

Almost a capacity crowd cheered the Loggers to their win.

NEW FOOTBALL RULES LISTED

Several new football rule changes are in effect this season, and fans not familiar with the decisions made by officials, it was pointed out this week by Coach J. Hergert of the Vernonia high school. Coach Hergert mentioned some of the new rules which may cause arguments on the sidelines this season until the fans become acquainted with the 1946 version.

One of the new rules provides that a substitute may enter the game at any time while the ball is "dead," if he comes onto the field before the ball is snapped or a free kick. If the clock is running, not more than two substitutes from the same team may enter the game. The penalty for infraction of this rule is five yards.

Tackles, guards and centers entering as substitutes must report to the proper officials, but ends and backs are not required to report.

Failure of the team on the offensive to have seven players on the line is a form of offside under the 1946 rules.

An important change in the rule on fumbles was made this year, the coach said. A backward pass or fumble which goes out of bounds between the goal lines belongs to the team which fumbled or passed, even though a player on the opposing team touched the ball before it went out of bounds. In this connection, a pass parallel to the line of scrimmage is considered a backward pass, although a player running the ball parallel to the line of scrimmage is considered to be moving forward.

Annual Feud Friday Event

The Vernonia Loggers and the St. Helens Lions will renew their annual gridiron feud Friday night at the city park field under lights. The fight is scheduled at 8 p.m.

Coach Lists Fri. Lineup

The probable Logger lineup for Friday's game was listed Wednesday morning by Coach J. Hergert as follows:

No.	Player	Pos.
71	DON PARKER	lt
79	GORDON CLINE	le
81	KAY MILLER	rg
72	K. ANDERSON	rc
75	DONALD TIFFNEY	rg
78	J. CARMICHAEL	rt
74	DONALD CLINE	re
77	OWEN EAST	qb
77	DUKE BYERS	lh
28	JACK FRANK	rh
33	DICK RENFRO	fb

ers are not permitted to run with the ball after receiving a punt or kickoff in the end zone. A player may intercept a pass in the end zone and run it out, but if he is tackled in the end zone a touchback is called.

Still another rule that may cause confusion at first permits the snapper to lift the end of the ball to not more than a 45 degree angle, provided he lifts it when he first grips the ball and the lift is not part of the snap.
