## Loggers Are Winners at Scappoose

26 to 7 Victory Marks Comeback Of Vernonia Squad

By MELVIN SCHWAB

The Vernonia Loggers, staging a brilliant comeback, displayed playing which hasn't been seen since the St. Helens game in defeating Scappoose 26 to 7 last Friday afternoon at the Scappoose field. The Indians never once gave up the ball game, but still couldn't do a thing against a highly fired up Logger team.

The game started with the Loggers kicking off to the Indians and play in the first quarter was rather even with both sides playing good ball. First Score Made

In the start of the second quarter Sabalino and Byers drove the ball down the field to the Indian's eight-yard line where Byers took the ball and powered his way through the line for Vernonia's first tally. The try for extra point was good with Byers doing the kicking and Frank holding.

Vernonia drew blood again in the second quarter when Grenia, speedy Vernonia back, intercepted an Indian's pass putting the Loggers in scoring position again. Frank took the honors taking the ball around left end for 20 yards and the second score of the ball game. The try for extra point was no good.

The Indians then in desperation took to the air with the passing combination of Baker to Baker, drove the ball from their own 25-yard line down to the Loggers' four-yard line. As the whistle sounded ending the half the Indians were on the Loggers' one-foot line, the half ending the Indians' scoring threat. Clipping Draws Penalty

As the breaks of the game go, Vernonia had a touch of bad luck also when East went over for a third Loggers' touchdown, but was called back for clipping on the play and a 15-yard penalty. The Loggers then pulled a super duper play which consisted of Buyers passing to Vernonia's right end, Cline, who in turn lateraled to Renfro. Renfro had bad luck and fumbled on the Indians' one-yard line.

Not getting the least bit discouraged, the Loggers once again got hold of the ball and drove to the Indians' 45-yard line where Frank wound up his passing arm and threw a beautiful 30-yard pass to Walgomott. The latter raced over the goal for another Loggers score. The try for extra point was good with Byers kicking and Frank holding.

Pass Scores  
Scappoose's one and only score came in the fourth quarter. Taking to the air Baker threw a pass to the Loggers' 35 where it was taken by Eckart, Scappoose full-back, who ran the rest of the way for the Indians. score. The try for extra point was good. The gun sounded, ending the game with the score, Vernonia 36, Scappoose 7.

The Indians played good ball and everyone commented about them not giving up once during the game even though having no chance of winning.

The Logger team was vastly improved over last week's beaten squad. The line exhibited charging defensive and offensive action. Two new changes in the line were Grenia in at running guard and Brown in at tackle. The man on the field who is hardly ever noticed, but who is one of the most important, is the center, and our hat goes off to Anderson, who has played a bang-up of a game every time.

### Hill Military Next

The Loggers' backfield is also much improved with Byers, Sabalino, East and Frank all taking

## October 15-November 15, Overseas Mailing Period

October 15 to November 15, 1946, has been designated as the Christmas mailing period for parcels addressed to army personnel overseas. During this period requests for addresses are not required. Mailing of Christmas parcels is not restricted to these dates to personnel of the navy, marine corps, and coast guard as they may receive parcels without a request at any time of the year.

The following restrictions apply to mailing of all overseas packages: the present limitation of weight and size, namely 70 pounds and 100 inches in length and girth combined, will prevail. Not more than one Christmas parcel or package shall be accepted for mailing in any one week when sent by or on behalf

of the same addressee.

The usual prohibitions apply regarding unmailable matters, such as intoxicants, inflammable materials, firearms and poisons. Mailable matter will be accepted for registration or insurance.

The war department advises that greeting cards for soldiers overseas must be sent in sealed envelopes at the first-class rate of postage.

## COUNTY NEWS

QUARTERS FOR CLATSKANIE POSTOFFICE ARE SOUGHT  
CLATSKANIE — A lease for quarters for the Clatskanie post office is being solicited.

The lease is to be on a five or ten-year basis from May 7, 1947. A floor space of about 1,200 square feet is desired and location, light and accessibility are also to be considered.

FROST ENDS CUCUMBER HARVEST ST. HELENS—

ST. HELENS—Tuesday night's heavy frost last week wrote a quick finish to the cucumber harvest in the Scappoose district, C. J. Johnson, manager of the Hunts Foods, Inc. plant (formerly Pacific Conserving) at Scappoose, said.

Despite a cold and wet summer which held down the quantity of cucumbers produced on the slightly over 400 acres under contract to the Scappoose firm, approximately 3000 tons of cucumbers were harvested. This is about the normal harvest handled by the plant each year, though under what 400 acres would ordinarily produce, and is sufficient to keep the plant busy until next harvest season. Quality of the cukes harvested was excellent.

CITY GETS \$1000 FOR WATER SYSTEM

RAINIER—Receipts of \$1000 upon a loan from the federal government to be used in engineering investigation of the Rainier water system is announced by N. N. Blumensaat, city recorder.

The loans are said to be termed so that the city can secure an additional \$750 to \$1000 in case it is needed. The loan is to be included in the cost of any improvement program that results from the investigation, but if nothing develops it need not be repaid.

Construction of a pipe line to cost some \$80,000 and as well the bringing of water from Longview are among the suggested means of supplying the city with a dependable and adequate water supply.

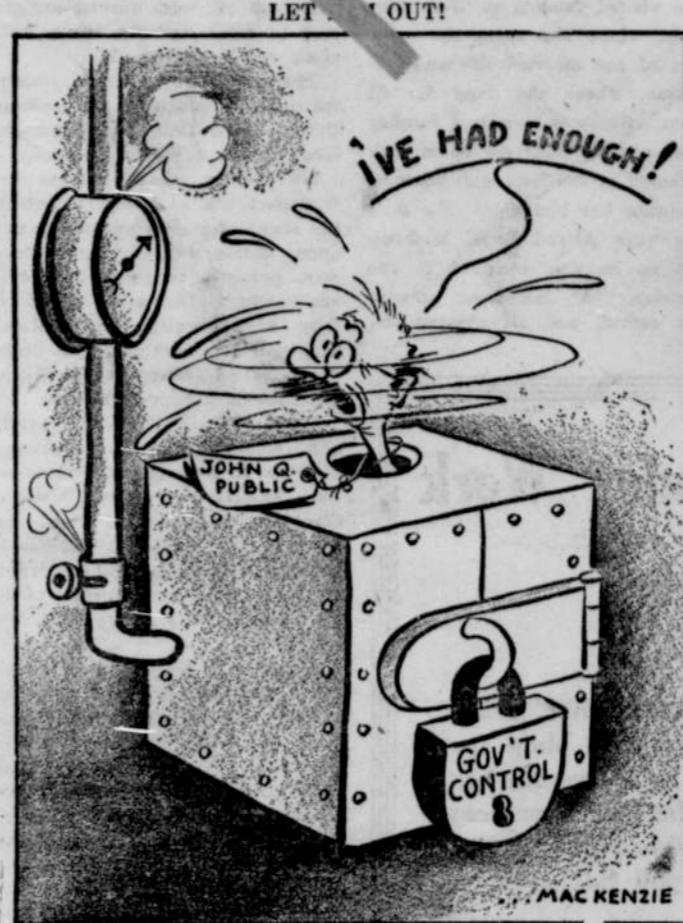

STANWOOD FREED OF EMBEZZLEMENT

ST. HELENS—The suit brought by H. T. Anderson of Scappoose against Caley A. Stanwood in which Anderson accused Stanwood of embezzling \$5000 which Anderson had entrusted to him with which to purchase certain real estate, was thrown out of court last week by Judge H. K. Zimmerman when after testimony was all in he failed to find evidence to support the embezzlement charges.

This is one of several suits brought against Mr. Stanwood following the collapse of Caley A. Stanwood, Inc., real estate brokers, insurance agents, and agents for the Washington Federal Savings and Loan association of Hillsboro in this county, of which Mr. Stanwood was president.

C. B. Rice of Beaverton is the new owner of the Mist garage, an announcement this week indicates, he having taken over the business there last week.

The business was formerly owned by W. B. Day. The new owner plans mechanical repair service along with other garage work.

## School Press Groups Enter Health Contest

County Health Unit Sponsors Columbia Education Contest

Through contributions to their school papers or to sections of the town paper, high schools of Columbia county are entering a national educational campaign to further the control of tuberculosis. This is the first time high schools of the county have entered this press project which was inaugurated nine years ago. Articles, editorials and cartoons will run in November and December with the winners to be in the hands of the state judges by December 20, 1946. Two subjects have been chosen for this year. They are, "Why Nations Should Work Together for Tuberculosis Control," and "How Christmas Seals Are Used to Improve the Health of My Community."

Students are being offered this larger field for the discussion of the disease because young people today are coming more and more to realize how interdependent nations are. This activity shows the young participants how great is their influence in the school and how integral a part they can play in a community program.

Principals and teachers are cooperating with the plan and the project is under the direct supervision of the Columbia County Health association. Kits containing suitable material and rules of the contest have been sent to the supervisors.

## Lighting Plans Bring Inquiries

Vernonia's proposed new business section street lighting system has brought several inquiries from other towns which are anticipating a new, more modern system of lighting.

The most recent request comes from the Carlsbad chamber of commerce at Carlsbad, California, asking about the fixtures, installation costs and upkeep of the proposed Vernonia set-up.

Advertising for bids have been published and Vernonia city councilmen have set the date of November 4 for the opening of bids to supply the needed material and fixtures.

## Red Cross Gets \$24 from Canteen

Canteen equipment which was assembled as part of the supplies needed to operate the casualty station project was sold a few days ago by Mrs. Helen Spofford for \$24 and the money turned over to the Red Cross, it was announced Tuesday.

The casualty station was organized as a part of civilian deense during the war and the canteen was to have been used as an emergency means of supplying food.
