WHEN I GOT MORE BEER LAST WEEK IT WASN'T SUCH A BIG SURPRISE

I knew very well that after all these years of a little beer and lots of customers there would come a time of lots of beer and just a few customers.

"That's the situation that prevails." So we have walkin' beer now. Quarts and pints to take out.

Next Sunday we will have our famous chicken dinner.

Don't you Believe It!

Have you been told... That the proposed tax measures will NOT become property taxes?

Don't you believe it!

The truth is... Tax measures mean tax liens on your PROPERTY and ON YOUR INCOME, TOO!

Have you been told... That the tax measures can be financed by "surplus income taxes" and will NOT mean additional tax burdens?

Don't you believe it!

The truth is... The so-called "surplus income tax revenues" now in the State Treasury will pay for ONLY ONE THIRD OF THE FIRST YEAR'S TAX! After that sum is spent, we'd IMMEDIATELY start paying INCREASED INCOME TAXES and INCREASED PROPERTY TAXES, TOO!

Have you been told... That the proposed Basic School Bill will NOT add a new property tax?

Don't you believe it!

The truth is... The Basic School Bill proposes a NEW and ADDITIONAL tax of FIFTEEN MILLION DOLLARS!

Have you been told... That funds from the Basic School Bill will be used to reduce the local school board's tax?

Don't you believe it!

The truth is... Local school boards would be PROHIBITED from using any of the Basic School Bill's tax money to reduce local school taxes.

Have you been told... That the Basic School Bill will "equalize taxes" between large districts and small ones?

Don't you believe it!

The truth is... The Basic School Bill has NOTHING WHATSOEVER to do with equalizing assessment values.

HERE'S THE PLAIN TRUTH!

Look at the PRICE TAG before you vote!
