

LET'S BE SOCIABLE

Guest Day Features Missionary Meeting

On October 23 the Missionary Society of the Evangelical church held its annual guest day luncheon for which 40 ladies were present.

Hostesses for the luncheon were Mesdames Judd Greenman, Geo. Roland, Hamp Roberson and Walter Olinger.

Devotionals were read by Mrs. Kirkbride. A description of the social and economic life in India was given by Mrs. Dan Cason for the book report.

Of special interest at the meeting was the honorary membership bestowed upon Mrs. Charles Malmsten for her years of service given the Society.

Mrs. Heenan Hostess To Business Women

Mrs. Jack Heenan entertained the Vernonia Business Women's club at a Halloween party at her home October 22. Due to the rain, several of the members were unable to attend. A short business meeting was held. Lunch was served by Mrs. Heenan and Mrs. Schwartz. The members planned to have their next meeting at the home of Mrs. Akers, November 12.

MRS BROWN TO BE HOSTESS

The Friendship club Thanksgiving party will be held at the home of Mrs. Elizabeth Brown on November 14.

19 Enjoy Fall Rally Meeting

Nineteen ladies enjoyed the fall rally meeting of the Pollyanna Circle at the Evangelical church on Wednesday, October 16. A very interesting devotional program was presented by Mrs. P. Weidman on the topic of Friendship. Mrs. Knapp read several poems on the subject and Mrs. Weidman sang a request solo. Mrs. Allen Backer gave an interesting talk about women in various countries and their position under other religions than Christianity.

Following a business session, refreshments were served by Mrs. Lena Stanton and Mrs. O. G. Weed.

The next meeting will be at the church on November 20 and will follow the Thanksgiving theme.

First Little Dance Set for Saturday

The first Little Dance Club dance of the season and the first held by the club since the start of the war, is all set for this Saturday night. The club has been revived by members of the Vernonia Country Club and memberships have been sold to assure a series of dances during the winter months.

Playing for the dance will be Jimmy Pearson's orchestra from Pacific University at Forest Grove. This dance will be held at the I.O.O.F. hall.

Father-Son Banquet Plans Being Made

Plans are nearing completion for the annual father and son banquet at the Evangelical church November 4, the committee in charge said early this week. Tickets for the affair are available it was announced and those planning to attend are asked to purchase them as soon as possible.

Eddie Obinger of the Western Press, Portland, will be the principal speaker of the evening.

Mrs. Graves Given Initiatory Degree

At the last regular meeting of Nehalem Chapter No. 153, O.E.S., initiatory degrees were given Mrs. W. T. Graves and members of the Masonic Lodge were special guests of the evening.

Entertainment planned for them included numbers by the high school girls sextette accompanied by Mrs. Mary Aronson, a solo by Dorothy Ann Hogberg and an addenda by some of the officers.

A chicken supper was served in the dining hall during which time

the sextette sang several popular numbers.

The Star points were surprised by a Hawaiian degree and gifts given by the Worthy Matron, Mrs. Virgil Powell. The evening was enjoyed by a large group of members and visitors.

Initiatory degrees will also be given at the next meeting to which members and visiting members are invited.

American seamen are the best paid in the world.

Patricia Thacker, Lester Galloway Take Vows

Patricia Thacker, daughter of Mr. and Mrs. H. A. Thacker, and Lester Galloway, son of Mr. and Mrs. T. H. Galloway, were married at a wedding ceremony performed Monday of last week at Vancouver, Washington.

The couple returned here last Friday to make their home following a wedding trip to Vancouver, B. C.

Going! Going! Soon All Gone!

Help save Oregon's salmon and steelhead before it is too late! The Oregon legislature has twice passed bills with overwhelming majorities to help save OREGON'S FISH LIFE. Once in 1941 and again in 1945. Governor Earl Snell signed the bill. Each time the referendum, with less than 15,000 names, has been invoked by a few selfish fishermen to defeat our legislature.

Vote 312 YES... Help Our Legislature Save Oregon Salmon & Steelhead

HIGHLIGHT FACTS ARE:

1. This bill would save these fish for all time, and remove set-nets which fish our streams almost the year-round, bringing profits to but a few.
2. Bill does not prohibit commercial fishing in Oregon coastal streams and bays. It does regulate when fish may be taken, where and how.
3. Bill directs our game and fish commissions to make study of these streams in order to determine cause of our great fish losses.
4. Bill does not affect commercial fishing in the Columbia river, nor does it affect the taking of shad.
5. Bill actually affects year-round employment of a very few—perhaps not 25.
6. Bill would save about 90% of our steelhead—a true rainbow trout, one of our game fish. (Note: a steelhead is a rainbow that has gone to sea and returns.)
7. By most conservative estimates this bill would put 1,875,000 live, healthy young steelhead—rainbow trout in our coastal streams each year.
8. Bill would preserve Oregon's No. 1 food fish—our salmon, and our No. 1 tourist attraction—our steelhead.
9. Oregon's tourist trade is developing into one of its great businesses. More than \$100,000,000.00—which is more than 10 times the value of our commercial salmon and steelhead runs—will be brought into the state by our tourists who will come here to enjoy our beaches, mountains, lakes and fish life.

IT'S YOUR FISH!

Our fish life is one of Oregon's great natural resources. It is a No. 1 tourist attraction. These fish belong to all the people—all over the state and should be protected by all. Remember! When our coastal streams are stripped of their fish then our mountain streams and lakes will have to carry the whole fishing load. For a short time at best. Our coastal streams are in a critical condition NOW. Help save what is left. With the best of cooperation it will take many years to build our salmon and steelhead runs back to what they were 20 years ago. If we are to preserve a supply for the future and for ALL people, something must be done, and **DONE NOW!**

Mr. Voter, these ARE YOUR fish. If you want to save them through proper study and regulation... tell your friends, too... Support and vote 312 YES—FISH BILL.
