\$200 Cleared at Altar Society Bazaar

RIVERVIEW—Had it not been for the pall of sadness caused by the death of one of their members, Anna Marie Schmedding, the Monday before, St. Mary's Altar Society bazaar held Saturday, Nov. 9 and their regular meeting which followed on Wednesday would have been jubilant affairs.

The clerks at the bazaar were busy from the time the doors swung open at 9 o'clock until the weather caused a shutdown at 4 o'clock with 20 per cent of the goods unsold.

At the meeting, held at the Elizabeth Mullins home it was revealed that better than \$200 had been cleared by the bazaar, quilt and lunch and the members

are planning on many new articles for their altar and crib for the Christmas season.

Members present were Mesdames Joe Wirtz, Joe Vanderzanden, Harry Borgelt, Alois Sauer, Elizabeth Mullins, Antone Smejkal, Henry Meiwes and Ben Meiwes. The latter two were the holders of the winning tickets on Saturday when Mrs. Henry Meiwes won the quilt and Mrs. Ben Meiwes walked away with the fancy pillow cases.

We of the West Coast Telephone Company are doing everything possible to obtain materials and equipment which again will make our system the finest telephone service in this nation. Unfortunately, many critical items still are difficult or impossible to secure, so our progress has been much slower than we would like to report.

Telephone traffic now is heavier than ever, with both local and long distance calling at an all-time peak. Our employees are working faithfully and under many handicaps to keep our service as close as possible to its high pre-war standards. We pledge to you that we will continue to do everything in our power to maintain efficient service and to speed our expansion program.

The management and employees of the West Coast Telephone Company wish to thank you, our subscribers, for the splendid spirit of cooperation you have shown during the war years and this reconversion period.
