SINCE THE LUMBER WAS HAND-SAWED FOR THIS ANCIENT DWELLING, AMERICA'S FORESTS HAVE GROWN 9 1/2 TRILLION BOARD FEET OF SAW TIMBER, ENOUGH TO BUILD 950,000,000 AVERAGE FIVE ROOM HOUSES.

RESEARCH IS CONTINUOUS IN AMERICA'S FOREST PRODUCT INDUSTRIES. WHEN THE ARMY NEEDED A MAP PAPER THAT WOULD NOT TEAR EVEN WHEN WET, PAPER MAKERS DEVELOPED A NEW STRONG PAPER, USED TODAY IN PAPER BAGS... THEY SAY IT'S JUST THE THING FOR THE PEN THAT WRITES UNDER WATER.

WISCONSIN'S FORESTS WERE ONCE AMONG THE RICHEST IN AMERICA, AND THEY MAY BE AGAIN. THAT STATE LEADS IN REFORESTATION, HAVING PLANTED MORE THAN THREE TIMES AS MANY NEW TREES LAST YEAR AS ANY OTHER STATE.

EVERYTHING THAT IS BEST FOR YOUR CAR AT A PRICE YOU CAN AFFORD TO PAY.

LUBRICATION

Yes, we know how to completely lubricate your car, and have the right kind of equipment and specialized lubricants to do a thorough job. Don't neglect having your car lubricated at proper intervals—and the old oil changed regularly. It is the best "long life" insurance that you can have for your car.

BRAKE SERVICE

Proper Brake Adjustment and wheel alignment is so important—not only for SAFETY... but also wear and tear on car and tires. Faulty brakes cause serious accidents... and it's not safe to drive a car if brakes are not working properly.

MOTOR SERVICE

The cost of a motor tune-up is slight compared to the pleasure and economy that it gives you in the operation of your car. We also install new rings, new pistons or rebuild your motor if necessary.

RADIATOR AND BATTERY SERVICE

A lot of grief can be caused by Radiators all being stopped up. They should be cleaned out thoroughly before you put in ANTI-FREEZE. Batteries need water and looking after too.

TIRE SERVICE

Rotate Tires for longer wear. Be sure to have breaks and holes in the casings vulcanized and repaired. We handle NEW TIRES and are glad to take care of all your tire troubles.

Transmission, Clutch And Rear Axle

When you hear a grinding noise be sure to have it looked after right away. Or a slipping clutch may mean a BIG REPAIR BILL if not looked after. OUR COMPLETE SERVICE INSURES COMPLETE SATISFACTION.

PAINTING AND BODY SERVICE EVERYTHING THAT IS BEST FOR YOUR CAR

BATTERIES

have been hard to get and still are **BUT** we now have a complete line to fit every car. Insure your spring driving with a new battery.
