Home at Mist Changes Hands

MIST—We are told on good authority that the Earl Roper house here has changed hands it being traded to a family from Hebo for property at that place. The people now occupying the Roper house have received orders to vacate in 30 days.

Bernard Dowling has turned out some fine pieces of furniture in his shop. Among the pieces is a glassed in china closet for his mother's pitcher collection. They come from everywhere, Japan before the war, Holland. Some are very old and rare, being made in 1830.

Mr. and Mrs. Charles Sundland went to Portland Monday taking Mr. and Mrs. Charles Hockman that far on their way home to Bend. The Hockmans have been here the past month visiting.

BEAUTY TREATMENT FOR YOUR CAR

Everything from a Facial to a Permanent

The finish of your car can be kept sparkling new by a little care. If you want to do this work yourself, we carry all kinds of "beauty" aids, such as Polish, Wax etc., that are highly recommended for this work.

WASH & POLISH

We are mighty proud the way the boys wash and polish cars in our place. They take a lot of pride in their work—and have proper equipment for doing a splendid job. Better phone us in advance for an appointment, as this department is kept busy and naturally we do not wish to disappoint you.

BEAUTIFUL WAX JOB

There is no two ways about it. A WAX job, when it is done right and the way we do it, just adds life and sparkle to your car. Dirt and grime just slide right off on a waxed car... and it is so easy to keep clean and looking good by just wiping it off.

COMPLETE PAINT JOB

With the choice of late modern colors. If your paint is scratched or faded... and if your car is shabby looking, have it painted at our place, and it will look like new. EASY PAYMENTS IF YOU WANT—and the price of a complete new paint job is surprisingly low. Get our estimate.

BAND-IT CLAMPS

.... COMBINE MORE ADVANTAGES

THAN ANY OTHER CLAMP!

ECONOMY

4 widths of BAND-IT Stainless steel band and buckles handle every job. There is no waste, no expensive equipment. Complete application may be made without pre-cutting the band.

EASE OF APPLICATION

For a few cents, in a few seconds, BAND-IT clamps can be applied by one man AROUND ANY OBJECT WITHOUT DISCONNECTING. The one BAND-IT tool does every job quickly and easily.

PORTABILITY

To apply BAND-IT clamps up to 30 ft. in diameter, only three easily carried items are needed—tool, stainless steel band and stainless steel buckles.

UNIVERSAL USE

From a single 100-ft. roll of BAND-IT stainless steel band, clamps of all diameters from half inch to 30 ft. may be formed. This offers an endless number of uses for industry.
