Coach Compiles Basketball Data Of Logger Squad's Court Action

The basketball record of the Logger squad for the 1946-47 season has been submitted by Coach Jake Hergert. The three top scorers of the season are Byers, Cline and Anderson. Cline and Grenia are the "rough boys" of the Vernonia team, each committing 53 personal fouls. However, this is nothing against their record, because it is usually the one who is in there mixing it up and really working hard that fouls.

The Logger record is:

	GP	FG	Pct.	FT	Pct.	F	TP
Duke Byers	23	93/293	.317	55/100	.550	44	249
Don Cline	19	37/187	.294	26/48	.541	53	148
Kenneth Anderson	23	58/220	.264	16/39	.410	44	134
Dick Renfro	22	21/91	.231	17/45	.377	28	59
Dale Grenia	23	18/88	.205	20/45	.444	53	56
Jack Frank	19	21/97	.217	7/22	.318	19	49

Mystery of the Rocking Chair

Ma Hoskins has a favorite rocking chair that's worn and shabby, with a noisy creak. Pa Hoskins has listened to that squeak for thirty years . . . and he decided to do something about it. So he bought a new rocker, and hid the other in the barn.

Ma allowed as how grateful she was . . . but when Pa missed her one afternoon, he heard a familiar sound that led him to the barn. There was Ma rocking happily in her old chair—squeak . . . squeak. No need to tell you how Pa felt.

Quick as a wink he hid the new rocker and then brought Ma's old chair back to the house. Now when he hears that squeak, he looks at the mellow glass of beer he's drinking and says to himself: "She's just as entitled to her small pleasures as I am."

From where I sit, that's one of the reasons the Hoskinses are the happiest, oldest-married, peace-fulest folks in our town.

ROPER ELECTRIC CAPTURES WIN

The old saying that history repeats itself proved true once again when Roper Electric of Hillsboro Women's bowling team defeated the local ladies at Dessy's bowling alley last Wednesday night at 8 p.m.

The local girls won one out of the three games played, but lost the other two by rather large margins as the Hillsboro team improved. The local girl keglers however put up a good battle and show some improvement over the last game played two weeks ago.

The lineups and scores for individual players and teams are as follows:

ROPER ELECTRIC				Total
B. Mateson	144	176	137	457
E. Williams	109	145	134	388
G. Hartley	155	131	120	406
M. Harold	143	116	172	431
E. Milmine	117	110	167	394
Total	668	678	730	2076

VERNONIA WOMEN				Total
M. White	116	130	149	395
B. Dyer	136	134	118	388
M. Weise	115	109	143	360
F. V'nD'Bgt	139	112	103	354
B. Netka	178	99	105	382
Total	684	577	618	1879

It was also announced this week that Sunday at 2 p.m. a team of men and women from St. Helens will invade Vernonia to challenge the local bowlers in a series of games. The team for the local alleys haven't been picked as yet, but it will be St. Helens best against Vernonia's.

The high score for this week was Duke Byers. He hit the pins for a neat 235. So far the highest score for next week is Red Ade

LEW'S LINES

Just saw the owner of The Vernonia Eagle at my lunch counter for his usual cup of coffee. I knew he would never remind me that I owe him for my last ad.

Maybe I can pay him now as there is going to be a new bank in town. I can maybe get a loan.

This new bank marks a development for Vernonia, a forward step which shows we are headed for a larger field of activity. I have a small business which has been handicapped by lack of banking facilities.

I Propose to give my full support to the new bank.

Also I will make an agreement with them as follows—the bank must not sell beer or food and I must not loan money.

PHONE LINES ARE BUSIEST

A. M. P. M.

DURING THESE HOURS
AVOID PEAK PERIODS TO GET BETTER SERVICE

Telephone calling is still at an all-time high and we are handling nearly twice as many calls as in 1941—and with essentially the same equipment. These calls tend to pile up in "peaks," at which times our busy lines are more crowded than ever. These peak periods are:
9:30 TO 11 IN THE MORNING
2 TO 4 IN THE AFTERNOON

May we make a suggestion which may improve your own telephone service? If you will do as much of your telephoning as is conveniently possible during the non-peak hours, you probably will get faster, more efficient service.

We are carrying forward our Five and One-Half Million Dollar expansion program as rapidly as we can secure materials from our manufacturers, and we will continue to improve and enlarge our facilities until we once again can provide the finest service in the United States. Meanwhile, we sincerely appreciate your continued cooperation and support.
