Enjoy oranges these new ways

Vitamin-rich orange juice, grated orange rind, and orange sections do wonders in adding color and flavor to many dishes. Here are some of our favorite ways with oranges.

ORANGE PASTRY—Try this with lemon or lime chiffon pie; or use it as the crust for a fresh fruit pie. And it gives a delightfully different flavor to pumpkin pie.

Sift and measure 2 cups all-purpose flour. Sift again with 1/2 teaspoon salt. Cut 2/3 cup shortening into flour with 2 knives or pastry blender until particles are the size of small peas. Add gradually 4 to 5 tablespoons orange juice and 1 teaspoon grated orange rind, mixing only until pastry holds together. Wrap in waxed paper; chill thoroughly. Sufficient for two 9-inch shells or one 2-crust 9-inch pie.

ORANGE GOLD PARSNIPS—Even the "don't like parsnips" crowd will go for this combination.

Simmer 6 medium-size parsnips in water to cover until tender, about 25 minutes. Drain and cool. Peel and cut into lengthwise strips, removing any tough cores. Place in a greased 2-quart baking dish; sprinkle with 1/2 cup brown sugar, salt, pepper and paprika. Pour 1/2 cup orange juice over the parsnips and dot with butter or margarine. Cover and bake in a moderate oven (350°F.) 30 minutes. Garnish with orange slices. Serves 6.
