### KING'S GROCERY DEFEATS VFW

Monday night of this week proved to be a bad one for the high flying VFW kegglers when they dropped four much needed points to King's Grocery who up to now has been in the cellar. This win put the Grocers right back in the running with six points which isn't low in this league where the lead team changes practically every week.

The VFW boys played under a disadvantage as they were bowling one man scratch and didn't receive any handicap for him. Therefore the Grocers had approximately 70 pins up on the Vets. The games were won by

very small margins with one pin difference in the first game, five in the second and ten in the third which means the winning margin was only 16 pins in all three games.

The kegglers lineups were:

K. Bauersfeld	476
M. Schwab	404
A. Mosely	418
E. Mullins	404
R. Peterson	410

### BUSH, VFW WIN ALLEY GAMES

Bush Furniture came up once again this week by skunking King's Grocery and hitting the pins for four points. This game put the furniture boys up on top with a total of nine points to their credit and a mighty good chance for the league championship.

The Grocers just weren't hitting the pins right and were beaten badly by the high flying furniture boys.

Scores are as follows:

BUSH FURNITURE	
NAME	PTS.
J. Bond	401
H. Gwin	452
C. Davis	429
L. Weise	432
P. Dyer	509

KING'S GROCERY	
E. King	411
C. Aldrich	406
R. King	401
A. Schalock	218
J. Davies	338
TOTAL	2302

By winning this game the furniture boys have now a total of nine points while the Grocers are in the cellar with two to their credit.

The VFW boys took four hard earned points away from Heath's last Thursday night at eight o'clock by winning all three games played and acquiring the extra point for total pins. This win put the VFW second on the list with only Bush leading them by a one margin. High scoring man for the winning VFW team was Kent Bauersfeld with a 180 in his second game and a 166 average per game, which is good.

This win knocked the wind out of Heath's Service as that team was on top of the ladder the start of last week and those four could have kept it there.

Lineups for the respective teams are:

K. Bauresfeld	499

**From where I sit ... by Joe Marsh**  
**And That Ain't Hay -Or Is It?**  
 I guess all of us secretly hanker from time to time, for the good old days and the good old-fashioned pleasures. Leastways, Buddy Richards done a thriving business reviving the old-time hayride.  
 With a team of horses, and a stout straw-bedded rack, Buddy can take as many as thirty adults—at fifty cents a head!  
 Two or three times a week they start from Town Hall, and go out along the river; stop for a friendly glass of beer at Shoreside Tavern;  
 and come home by way of Pound Ridge . . . nine miles in all. Not very exciting you might say. But from where I sit it's not excitement that we need these days—but those simple country pleasures that are part and parcel of America—the old-fashioned hayride, with its song and jollity; the horseshoe games; the friendly glass of beer; and the good companionship that they engender.
