## VARIPAPA TO BOWL HERE ON MAY 26

Andy Varipapa, rated as best of the trick bowling artists and holder of the six-year high average in the all-star tournament is scheduled to visit Vernonia May 26. Announcement of the appearance here of the renowned bowler was made by Desmond Laird late last week.

Varipapa will conduct exhibition bowling during his appearance and will also give instruction to local alley enthusiasts. No charge is to be made for the instruction, but an admission of \$1 will be made for the exhibition that afternoon.

Schedule for the visit was made through the Brunswick, Balke, Collender company.

## DIAMOND READY FOR SCHEDULE

The baseball diamond at the Washington grade school was leveled and made ready for local games last Saturday when a bulldozer owned by Sam Wilson was on hand to prepare the ground.

The diamond this year is changed so that home plate is in a different position and so that the outfield is larger than was true with the former arrangement.

## INDIANS SCALP LOGGERS 9-0

The Scappoose Indians gave Vernonia a defeat last Friday on the Indian field by a big score, 9-0.

The Loggers have been hampered by not having a place to practice. The ball field was only recently prepared and prior to that they couldn't do much about getting into field practice. This game marked about the fourth one for Scappoose.

The Indians banded out 16 hits while Vernonia hit only three.

Vernonia threatened to score in the seventh with Byers and Schaumburg on base, but Scappoose soon put the fire out.

Duke Byers was the hurler for Vernonia and Jim Baker for the

**HEATH'S WINS BY THREE PTS.**

The somewhat confused Vernonia bowling league, wherein a new team takes the lead every week, was even more disarranged then ever last week and this week also. Last Wednesday night the favorite team was defeated again. This time it was the Pal Shop which is taking a shellacking from the supposedly weaker teams. The Pal Shop got out with one point acquired in the first game while the other three points went to Heath's Service without too much of a fight.

The lineups for the teams and players are as follows:

PAL SHOP		PTS.
NAME		
R. Fetsch		432
G. Shipman		399
W. King		445
E. Ade		478
B. Hudson		437
<b>TOTAL</b>		<b>2211</b>

  

HEATH'S SERVICE		PTS.
NAME		
K. Magby		404
C. Van D Bogart		470
R. Chilson		447
J. Riley		470
D. Byers		446
<b>TOTAL</b>		<b>2237</b>

Again it was the handicap that defeated the Pal Shop in total pins. The Service boys had a 25-pin handicap to their advantage which was just one pin too many for the ice cream makers.

## BANKS BRAVES DOWN VERNONIA

Tuesday, April 15, the Banks Braves traveled to the home field of the Loggers to engage in a diamond tussel in which Banks was the victor 9 to 1.

Jack Frank pitched the first three innings for Vernonia, but got into hot water, allowing eight runs to come in. It wasn't all the pitcher's fault though, as the Loggers made five errors. Banks made their first run on a bad error by Miller. Duncan of Banks hit a low ball to Frank on the mound and in turn, Frank threw easily to the plate, trying to get the man coming from third, but Miller dropped the ball. Another run scored later on a similar play which Miller dropped the ball.

Sylvester "Ted" Williams took over the mound in the fourth inning and pitched a wonderful game. During the fourth, Williams faced six hitters. The only run tallied during Williams' pitching was scored on an error by Grenia, but Williams retired the side with three strike-outs.

During the fifth, Ted, now warmed up, struck out the three men to face him, pitching 10 balls, nine of them strikes. Banks got eight hits while Vernonia tallied one.
