Bob Cat Killed Near Riverview

RIVERVIEW — Betty Huntley has been removed from the hospital in Hillsboro to the Holliday Park hospital in Portland and is improving rapidly.

Mr. and Mrs. Louis Huntley and

son and Mr. and Mrs. Gerald McCool motored to Carlton Sunday afternoon.

Louis Huntley and Mr. and Mrs. Gerald McCool, with the help of their hounds, tracked down a bob cat at the end of 10th street a few days ago.

Mrs. Anna Roberts made a business trip to Portland Monday.

From where I sit... by Joe Marsh

But Curly "Knows What The Score Is!"

Was over at Doc Sherman's drug store listening to the World Series on the radio. Curly Lawson wanders in and says: "How about a chocolate malted, Doc?"

"Sorry, Curly," says Doc, "can't make you a malted for a while yet." "What's the idea?" Curly asks. "Well," says Doc, "most of the folks want to hear the game and the mixer makes too much noise." Curly thinks a moment and says, "Okay with me, Doc—I'll take a chocolate soda!"

This shows how tolerant folks can be. Doc showed his respect for

how the majority felt; Curly was big enough not to insist on his malted even though he doesn't happen to be fond of baseball.

From where I sit, willingness to respect the other people's feelings is important in a democracy. If we're tolerant of a person's like for baseball or a glass of temperate beer, we've come a long way on the right road... the road to a better America, that is!

Cooperation also pays on the telephone party line

Your sense of neighborly cooperation is the most important asset to good telephone party line service. By using your telephone sharingly—by replacing the receiver carefully after calling—by keeping calls reasonably brief you are setting the perfect example for others to follow. Try this good neighborliness and watch it pyramid your party line into the friendliest, smoothest line with the best service in the community.
