Rare Tie Match Result of Club's Rifle Competition with Clatskanie

Practice was made more interesting Wednesday night at Vernonia's Gun club range by the visit of the up and coming Clatskanie rifle team for two matches. The first was won by Vernonia 912 to 846.

The second match was a tie, 939 to 939, that had to remain a tie because the teams were tied in both positions. This rarely happens and this is the first time it has ever happened to Vernonia.

Harold Peterson led the Vernonia team in the first match, a sitting-standing match, with 185, followed closely by Milton Lamping with 184, and Bernard Lamping 183. In the second match Bernard Lamping was high with 190 followed by Ralph Aldrich 188 and Melvin Snook 187.
