Filthy Rags

BY GEO. N. TAYLOR
Portland, Oregon

The Bible uses words that do not sound pretty. It says that all our human best is but a filthy rag in God's holy eye—Isaiah 64:6. Again, the Bible says that all our good works count for nothing with God—i.e. toward earning eternal life. Then all your good work and trying to be kind and helpful, count as nothing toward earning eternal life.

Reject Christ as God and the Saviour who died for your sins and even though you have a life-time of good works, you go out to a place the Bible calls hell. — Revelation 20:11-15. Not by our good works but by God's mercy, he saves us, Titus 3:5. Possess Jesus Christ down in your heart as Lord and Saviour and God gives you eternal life. Good works done for the glory of God then count toward eternal reward. This space paid for by a family of the county.

HUNTERS! Want to hunt next year, too? Be careful with fire today!

Good hunters want to enjoy their hunting grounds—and keep them, too. That's why they make "Be careful with fire!" the first law of the woods.

The sportsman who safeguards our timberland serves all America. He serves fellow sportsmen by protecting our great outdoor playground. He helps preserve our vital forest resource on which we depend for our thousands of wood-using requirements. He guards the inheritance of generations to come.

However you use America's forest lands—as hunter, fisherman, camper or nature lover—give our trees a sporting chance. Do your part to keep fires out of the woods.
