THURSDAY, SEPT. 21, 1950 THE EAGLE, VERNONIA, ORE.

Yesterdays

FIVE YEARS AGO
From The Eagle, Sept. 13, 1945

Directors of the West Oregon Electric Cooperative placed their official ok on electric transmission lines to the Chapman district Tuesday evening when they

ADMISSION \$1.00 PERSON — 9:00 P.M. TO 1:00 A.M. S.T.

met here. With over 45 suits issued and early season prospects for a stronger line apparent, the Loggers began the perfection of their timing and signals this week under the direction of Paul Gordon, temporary coach.

Figures of enrollment in local schools for the first day Monday were smaller than the first day list of students last year. In both grade and high schools an increase can be expected during the coming weeks due to late arrivals of students, many engaged in crop harvesting or have other employment.

TEN YEARS AGO

From The Eagle, Sept. 13, 1940 The necessary \$300 to finance the employment of a life guard at the Vernonia swimming pool was completed a few days ago when a portion of that amount was raised through subscription. It was revealed by C. L. Anderson, chairman of the lifeguard

committee.

A welcome sound to be heard Monday evening, September 16, of the coming week will be that of the Oregon-American mill when it starts night shift which will require the employment of at least 50 additional men above the number already working on the regular day shift.

Enrollment at the Vernonia high school has gained over the figure released last week for the opening date due to late registration of a number of pupils. The present number stands at 212.

OFFICERS FOR THE FOUR CLASSES

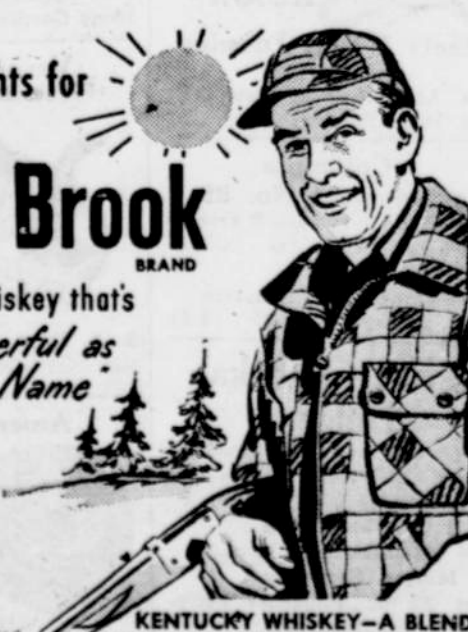

in the Vernonia high school were elected last Thursday. FIFTEEN YEARS AGO From The Eagle, Sept. 13, 1935 The Pleasant Vale school a Keasey opened last week with 11 pupils, a slight decrease from the enrollment of the previous year.
