Loan Fund Report Heard by Chapter

Mrs. Ray Mills was hostess to members of P.E.O. on Tuesday evening, December 12. After the business session, Mrs. Glen Hawkins gave an interesting and comprehensive report on the educational loan fund sponsored by this sisterhood. This loan fund, the largest of its kind in the world, was established and has been preserved for the purpose of assisting young women, properly recommended, who wish to complete their higher education.

Applicants must be at least 18 years of age (unless they wish to attend Cottey Junior college, in which case they may receive loans during their 18th year, provided parents or guardians sign the notes with them); must have completed a four-year high school course or its equivalent, and must be recommended by a chapter.

Mrs. Hawkins also discussed the types of loans, terms and methods of repayment. She also talked briefly about Cottey Junior college, a distinctive junior girls' school located at Nevada, Missouri, and owned and operated by the P.E.O. Sisterhood.

During the social hour, the hostess presented Mrs. J. W. Nichols with a beautifully decorated birthday cake.

The next meeting of the group will be held at the home of Mrs. Wesley Bolmeier, on January 9, 1951, with Mrs. H. G. Sandon in charge of the program.
