Teachers Hear Guest Speaker

The Columbia County Classroom Teachers association held its first meeting of the current school year in Scappoose October 22. The members were guests of the Scappoose teachers.

The principal speaker was Miss Alice Jewell of the Grout school in Portland. She told of her experiences during the past year as an exchange teacher at Neath, Wales. Miss Jewell was introduced by Mrs. Marie Lien of Scappoose.

Mrs. Katherine Adam of the Scappoose schools played two violin solos accompanied by Mrs. Katherine Brown.

During the business meeting Miss Edna Jessop, the Association's delegate to the National Education Association Convention in San Francisco gave her report.

According to Mrs. Vera Hills, president of the association, fourteen of the county's schools were represented by the 66 teachers present.

A dinner was served by the women of the Scappoose Congregational church.

Society Plans Next Meeting

MIST — Mr. and Mrs. Percy Melis from Sandpoint, Idaho are expected for a visit with the A. R. Melis folks.

The W. M. S. will meet the second Wednesday with Mrs. Gus Wanstrom.

Quite a sight to pass by the Lew Choate place and see the 1800 White turkeys wandering over the field.

Clyde Johnson has been doing some work for Walt Bateson on his house.

Mr. and Mrs. George Jones drove to Seaside last week and spent a couple of days visiting his sister, Mrs. Libel, Mrs. McCauley and Mrs. Aldridge. Mrs. Libel had 16 guests at a dinner party the 22nd, celebrating her birthday anniversary. Her children were all present.

Mrs. Florence Ferguson and her two daughters were visiting her parents, Mr. and Mrs. A. R. Melis, last week from Kirkland, Washington. One daughter, Margie drove from there to California.

Sportsmanlike DRIVING

WALK SAFELY

Are you a chip-on-the-shoulder pedestrian — challenging automobiles to the right-of-way?

Take a look at yourself! How would you like to "weigh in" for a combat with a car, asks the AAA driver training book, "Sportsmanlike Driving." Cars clearly have the edge over pedestrians — in size, weight, strength, and hardness of material. "Flesh, blood, and bones must 'throw in the towel' long before steel, glass, and chromium."

A driver in his car is practically encased in armor. So there's

every sportsmanlike reason why he should show courtesy to the weaker pedestrian. But if a driver fails to show that courtesy, pedestrians with good sense keep out of his way.

What chance has a 150-pound pedestrian, walking at 3 or 4 miles per hour, against a 3,000-pound car at even the low speed of 20 miles per hour?

The law gives pedestrians the right-of-way. Common sense often takes it away from them. When car and pedestrian collide, it is the pedestrian who is taken to the ambulance!

PEO's Entertained at Bolmeier Home Oct. 23

Mrs. Wesley Bolmeier was hostess for P.E.O. October 23. After the business meeting Mrs. Bolmeier gave a very interesting talk on the subject, "Origin of Superstition." She said that the true origin of superstition is to be found in primitive man's efforts to explain the phenomena about him; his wish to avoid evils he could not understand; his desires to propitiate fate and invite fortune and his attempt to pry into the future.

The next meeting will be at the home of Mrs. Sam Hearing, Jr., on November 13, at which time the state organizer will be present for her annual visit and inspection.

Parsonage Scene Of Shower Sat.

A bridal shower was given by the Assembly of God church members and friends October 27 at 7:30 p.m. in the parsonage in honor of Miss Helen Frank, daughter of Mr. and Mrs. Howard Frank. She will be married November 10 to Larry Bron of Sweet Home.

The parsonage was decorated in autumn leaves with a table setting of blue candles and a center piece of roses.

The church made the presentation of a woolen blanket and sheets, and other individual gifts were received by Miss Frank.

Thirty were served a beautiful cake decorated for the occasion, with punch and ice cream.

The old narrow trails where two cars could pass without colliding are being replaced with beautiful wide highways on which six or eight cars can collide at one time.

Temple Members Plan Anniversary

Vernonia Temple No. 61, Pythian Sisters, met October 24 with M.E.C. Mary Sawyer presiding.

Final plans were made for the observance of roll call night on November 14. This will also be the observance of the Temple's 25th anniversary and charter members will be honored. Many out-of-town guests are expected including some Grand Temple officers.

After adjournment, delightful refreshments were served by Hazel Bergerson, Alice Lindsay and Murel Knight.

We have no idea what Sherman would call the sort of war now going on between the United Nations and Red China.

Tip to motorists: Keep your tires up and your speed down.

A fine program is planned by those on the committee and people are asked to keep the date open. There will be a sale and amusement besides a delicious lunch and candy. The next meeting will be a week earlier for the November meeting on account of Thanksgiving and will take place on the third Thursday at the home of Mrs. Lester Closer.

Scientists have done many remarkable things for the world, but have given up trying to explain human nature.
