Showing of New Car Scheduled January 9

A new Chevrolet that will create "entirely new conceptions of auto beauty and performance" is promised by Jim Davies, manager of the Vernonia Auto company, when the car is placed on display January 9. The statement was made following a meeting of company representatives in Portland December 22.

When dealers were invited to attend the meeting, they were told it would be one of Chevrolet's most important conferences. The new product plus assurance by the company that the new model would be given unprecedented backing through its newspaper advertising and promotion proved the importance of the meeting and also that the company is anticipating one of its biggest years in 1953.
