Along with last week's publication of the amount realized from the most recent rummage sale sponsored by the Vernonia Study club library committee was a tabulation of the various sources of the total amount of the club's building fund.

This building fund was started by the club in 1949 because of a belief that the city library should some time be housed in more adequate quarters where satisfactory provision could be made for shelving of books and for use of the library by its patrons.

This belief was and still is based on the fact that present quarters will not allow sufficient room for expansion and arrangement as suited to a library. The place has been reached now where there is no space for more shelving without a major change in the city hall building, yet new volumes are being added and use by patrons is increasing.

As the fund now stands, through club efforts and the work of other groups, the total is \$1171.53. A tabulation of the sources lists the following:

Feb. 17, 1949—Carnival, all organizations	\$209.30
May 10, 1949—Study club tea	46.80
Aug. 19, 1949—Rebekah cooked food sale	32.00
Sept. 16, 1949—Rummage sale, Pythian Sisters	150.11
March 16, 1950—Rummage sale, Study club	94.20
June 19, 1950—Rummage sale, Pythian Sisters	35.00
Jan. 15, 1951—Study club tea	55.41
June 7, 1951—Rummage sale, Study club	82.83
Dec. 7, 1951—Study club tea	44.54
Dec. 7, 1951—Card sale, Florence Messing	10.00

Dec. 7, 1951—High school class	6.00
May 2, 1952—Rummage sale Study club	96.17
Nov. 21, 1952—Refund of park fund	2.29
Dec. 27, 1952—Interest on savings fund	10.35
Nov. 21, 1953—Hughes memorial fund	107.50
Feb 3, 1953—Coffee hour fund	76.00
March 26-27, 1953—Rummage sale, Study club	113.03
TOTAL	\$1171.53

Efforts spent by the club and others who have cooperated show what can be accomplished toward a worthy undertaking. They realize that the present total is far from being sufficient to construct a building and they know it will take longer to earn enough. As long as the determination is there, the goal will eventually be achieved.

2 Calves Killed By Log Train

ROCK CREEK — Two calves were killed by the logging train Monday afternoon near the DeWitt home. Fences aren't too good along the railroad tracks, but calves failed to see the easy places over which to jump and they couldn't walk the trestle.

Herb Counts and H. A. Dewitt moved their teams to Mist in order to start work there.

The Borders family is living in the small house near McFarlands. Makes it easy for the sisters, Beulah and Edith, to see each other often.

Kathryn Keasey was chosen as one of two Columbia county girls to live in the new Azalea House this coming year at Oregon State college.

Keasey Unit Selects New Year's Officers

ROCK CREEK — The Keasey extension unit met at the home of May Krieger. Officers were elected for the coming year with Betty Brady as chairman, Eda Parker as vice-chairman, Nelia DeWitt as secretary and May Krieger as treasurer. Project leaders May Krieger and Blanche DeWitt gave the lesson on Modeling and How to Give Home Sewing a Professional Look. In addition to the ones already mentioned, those attending were Isola Morris, Vivian Counts, Marie Christensen and Hilda Keasey.

It was good to see Bill Usher on his leave at home. We hope that he has stored up many pleasant memories to carry him through the rest of his enlistment.

Home Ec Club to Improve Budget

BIRKENFELD — The "Tea" ladies met with Mrs. Lawrence Jepson Thursday afternoon.

Winema H.E.C. met with Mrs. Walter Carl Tuesday afternoon. There were 13 members and two visitors present. The visitors were Mrs. Nellie Jones and Mrs. Wanda Banzar. A dinner, to increase the budget, was planned to be served April 25 at the gym. Committees were appointed to fix the menu and take over various jobs. Prize for the game went to Mrs. Reba Larson and hostess gift was won by Mrs. Helen Nordstrom. The next meeting will be May 5 at the home of Mrs. Leone Turner.

Theodore Roosevelt popularized the expression, "pussy footer."
