You in Glory

BY GEO. N. TAYLOR
Portland, Oregon

Up from the grave Christ arose and ascended back to glory from whence He is to come again and raise all His own. And who are His? Most folks say they are such as copy Christ's busy life or do good works. But God says NO. Christ's people are all who believe in Him as taking their sins and dying for them to clear them with God.

DR. G. N. ASHLEY
Conducting Revival

For the Saved—Christ indwells His people with new life and by this new life they served in the kitchen, the barn, the office, the court room, the surgery, the machine shop or wherever. So it is that Christ-power these saved serve God, set forth Christ and earn eternal reward—1st Corinthians 3:14, and so may you also serve and earn eternal reward. This message sponsored by a family of the county.

Fellowship Plans Benefit Dinner

The Christian Women's Fellowship is planning a salmon dinner May 8 for the benefit of the Yakima Indian Christian mission at White Swan, Washington. The salmon will be furnished by the mission and all proceeds will go to the mission.

Mr. and Mrs. Malcom Norment are the directors. The mission was established as a boarding home for Indian children who are unable to attend the White Swan public schools, but its services to the Indians now include a medical clinic, a used clothing store and a traveling Bible school which attends Indian encampments in the summer, especially at Celilo Falls during the fishing season.

32% Jump in Volume Makes Price Cut Possible!

DETROIT, In announcing lower truck and car prices, L. L. Colbert, president of Chrysler Corporation (builders of Dodge "Job Rated" trucks) said: "Since the first of this year, Chrysler Corporation has built 32% more automobiles and trucks than we were able to turn out in the corresponding period last year under government controls. With the spring selling season just beginning, our dealers are already setting a pace more than 50% ahead of last year."

"We are very pleased that we can take this action so shortly after the new administration's prompt ending of price controls and restoring to the automobile industry freedom to build the cars and trucks for which materials can be obtained in a free competitive market."

"These lower prices indicate Chrysler Corporation's confidence in the wholesome effects of these moves."

"Now that higher volume is being achieved and we may reasonably expect it to continue, we are lowering prices accordingly."
