## JENS HERMANN PLUMBING & HEATING

Headquarters for plumbing fixtures Jens Hermann Plumbing & Heating is located in Seaside at 130 N. Holladay Drive, phone Seaside 9.

What the arteries are to the body, a plumbing system is to the home. This comparison is indeed not far fetched. Both require careful and expert attention when they need repair. If your circulation system is bad, you are doomed; if the plumbing system of a home is defective you are never at peace.

The manager and his employees have gained that mastery of their trade which only comes with careful study and long experience. If you have plumbing troubles, you need look no further to have them eliminated.

If you are building a home, consult this firm. They will advise you as to the very best that can be obtained in the way of plumbing system for your home. Their work is guaranteed and their prices are the most reasonable possible, consistent with the high quality of their service.

To visit the stock rooms and display rooms is to see the best that can be bought in the line of plumbing supplies. The fixtures are of the latest design and have the most modern scientific appliance to assure their convenience. Here in the large display room you will find a complete bathroom fitted out in the most modern style.

You will find on display in this

house, the latest kitchen plumbing supplies. All those conveniences which take away the drudgery from kitchen work. Sinks which contain the latest convenient device to make such tasks as dish-washing far less annoying.

Needless to say, the enviable reputation of these popular plumbers has been achieved only by doing business on the fairest basis possible. People instinctively fear sanitary engineers because of their fees. There is not a home in this or surrounding communities where they have worked that will not vouch for the high quality of their work.

They carry this same ideal of service in life as citizens of the community. —94
