

Guests Gather At Natal Shower

A bridal shower was given last Tuesday afternoon at the home of Mrs. Max Oblack for Marilou Frederickson whose marriage will be an event in the near future. Miss Frederickson received many lovely and useful gifts. Several games were played and a door prize was given to Ruth Kyser.

The rooms were decorated with streamers, wedding bells and bouquets of snow balls and orange blossoms. An added attraction was Larry Oblack and Cheryl Devine dressed as bride and groom and marched in the room by the traditional wedding music played by Maxine Oblack.

The hostesses, Mrs. Oblack and Maxine, assisted by Ellen and Mary Ann Devine, served a delicious lunch of cake, coffee and ice cream to the guests.

Members, Guests Go To Friendship Meet

The monthly meeting of the Friendship Circle took place at the Beulah Slemmons' home June 18. The hostess served a delicious roast beef dinner at 1 p.m.

The afternoon meeting was brief and members and guests spent the time visiting. There were quite a number of guests present who were: Linda Kuehn of Elgin; Judy Berg of Birkenfeld; Mary Steers, Jimmy MacDonald and Wayne Carmichael of Vernonia; Rosalie, Peggy and Penny Badley also of Vernonia. Next meeting will be at Ella Wood's home on July 16.

Anderson Home Scene Of Shower Monday

Mrs. Mike Anderson was hostess for a pink and blue shower Monday of this week at her home honoring Mrs. Bob Curl. Thirteen guests were present for the affair.

The first essential to healthy feet is an interest in the correct method of standing and walking. This will tend to increase the efficiency and lessen the fatigue of the average individual. In standing or walking the feet should point straight ahead of the body and be parallel to each other or slightly toed in.

Cars Involved In 2 Accidents

ROCK CREEK — There have been several car accidents on Keasey road lately. One car load of young people missed the railroad crossing but found a deep ditch instead. The other car was that of a fisherman which rammied a light pole near the Keasey home.

Eola DeVaney has given up her work at the Dane Brady home after some months there. Shirley LaFollette has taken her place.

Mrs. Holly and her daughter, Noralee, lost their small dog when it was hit accidentally by the mail car.

Gene Cleveland and small son, Allen, are staying with his mother, Vivian Counts.

Martyn Seibert is home for the summer after his winter of school in Fresno, California where his grandmother lives.

Vivian Counts made a trip to Portland to see Johnny Counts who is in the hospital with a serious heart condition.

Electric Mill Cuts 1st Lumber

MIST — The J-H Lumber company sent out their first load of lumber Monday, cut in their new all-electric sawmill. Bernard Dowling, the driver for J-H, took it to Westport.

Mr. and Mrs. Merle Tideman came up from Jewell and visited the C. O. Hansen family Sunday evening.

Charleen Drake from Havre, Montana visited a week with her aunt, Mrs. Norman Hansen, and family.

Bernard Dowling and his father attended the movie at Clatskanie Sunday.

Mrs. K. Justus and Judy from Springfield came down and visited at the Chas. Hansens Saturday.

Mrs. Carl Enneberg was a caller at the George Jones Saturday.

Mr. and Mrs. Wesley Monroe and his father and mother spent Sunday at Seaside.

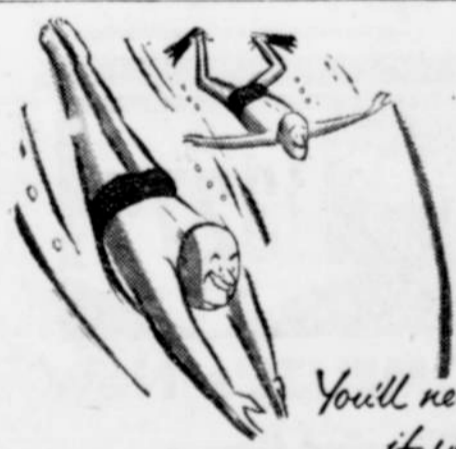

Making a Long Distance Call?

SERVICE IS FASTEST WHEN YOU CALL BY NUMBER

You'll save time and get your party more quickly, if you make your long distance calls by number. Keep a list handy of the long distance telephone numbers most frequently called. Add to it, each time you call a new number.

Whenever you call, give the operator the number—and you'll avoid unnecessary delay.

You'll never be a hermit if you serve great

OLD HERMITAGE BRAND

Oregon's largest-selling straight bourbon!

THIS WHISKEY 4 YEARS OLD - 86 PROOF - THE OLD HERMITAGE CO., FRANKFORT, KY.

IF FISH COULD TALK!

If fish could talk there would be fewer forest fires. A single match or cigarette, carelessly dropped in dry grass or leaves, can start a forest fire that will burn hundreds of acres of timber. The flow of water in streams may be affected. That's why most fishermen are careful with fire in the woods. Fishing is always better when you keep the forests green.
