## World to Burn

**BY GEO. N. TAYLOR**  
Portland, Oregon  
God is to burn this present world and all that is therein. Then he is to create a new heaven and new earth wherein dwells righteousness—2nd Peter 2:10-13. But the created earth is not God's true riches. His riches are you yourself, if you will have it so. His riches you are from the moment you accept his offer.

First, see God's heart. Just as a human father would have his own back under the home roof, so God would have you. To bring it all about, God gave Christ, his only born Son, to die for you. Turn to God as the one against whom you sinned. Then believe in Christ the One who died for you and cleared your page. Believe in Him and God gives you eternal life with heavenly hope, cheer and peace. So you become God's riches.

## Sportsmanlike DRIVING

### SHOW DRIVER COURTESY

You don't push others around on sidewalks. Don't do it in your car. Good sportsmanship pays off for motorists—in safety and in respect, says the AAA driver training book, "Sportsmanlike Driving."  
Good sportsmanship is a combination of fair play and courtesy. Fair play means you know the rules. Courtesy means you observe them.  
The driver who believes in fair play is careful not to break a traffic rule. He never cheats at stop signs or red lights. He takes the right-of-way only when it is safe to do so.  
The sportsmanlike driver does more. In addition to obeying traffic rules, he extends every act of courtesy. He gives fellow motorists every chance for safety.  
Bad highway manners are dangerous. Studies of accidents show that good traffic manners by everyone would reduce traffic accidents by at least one-half.  
This good driving tip is worth a try. Give the other driver a break! Road courtesy pays off! Politeness is the cheapest price for safety!
