# CALF BUYS at SAFEWAY

WHAT IS CALF? ... so that you will know exactly what you are getting when you buy meat at Safeway, we offer the following description: Meat sold at Safeway that is labeled "calf" is from beef-type Hereford and Angus calves weighing between 200 and 250 pounds and ranging in age from 5 to 7 months. The texture of this meat is, in most cases, very similar to veal. And like the beef and lamb sold at Safeway it is cut from only the top U. S. Government grades of calf.
