

Bible Club Boys Taken on Trip

Fourteen boys from the Child for Christ Boy's Bible club, together with their teacher, Don Darling, his wife, Phoebe, Mr. and Mrs. Pete Briones and Mr. Shelley made a trip to Latareil Falls

Saturday, October 10. The group left Vernonia at 10 a.m., stopped at the Vista House at Crown Point, then went on to Talbot state park where the Falls are located. The boys had a weiner roast at the park, followed by devotions. Fishing, shooting bows and arrows, and hiking around the falls occupied the rest of the time.

Those attending were: Claude Chambliss, Marvin Mask, Lee Harmon, Larry Akers, Rodney Williams, Gary Justice, George Miner, Ronnie Hibbs, Bobbie Helvie, Neil Lloyd, Darrell Elliott, Billie Elliott, Lynn Bolmeier, and Lyle Barker.

The Bible club meets in River-view each Wednesday afternoon after school at the home of Mr. and Mrs. Joe Peachey. It is open to all boys from the 5th grade through high school freshmen.

Sound Film to Be Viewed Sunday Eve.

A dramatic 30-minute sound film, "The Shield of Faith," will be presented at the First Christian church Sunday evening at 7:30. This is one of the really fine religious pictures and one with especially interest to all young people. The public is cordially invited to see this splendid picture.

Rev. A. C. Grimes, who just concluded a very successful revival meeting at Brooks will arrive in Vernonia Saturday to begin revival meetings at the Assembly of God Church, Second and Maple streets, on Sunday, October 18. There will be services every night except Saturday at 7:45 p.m. Special music will be one of the features of the meetings. Everyone is invited.

A Wild Night

BY GEO. N. TAYLOR
Portland, Oregon

Jesus was asleep in the tossing ship and His disciples awoke Him saying—Lord, save us or we perish. Hearing their plea, Christ rebuked the wind and the waves and there was a great calm.—Mt. 8:25-26.

And who is this one who could quiet the wind and the waves by a mere word? He was the Creator—"All things were made by Him and without Him was not anything made that was made."—John 1:3. On a day He took the form of a man. He ate with the low-downs and the sinners. At the end He took their sins and died for them to clear them with God. Then, having all power, He arose from death and the grave to give eternal life to all who receive Him as their own Lord and Saviour. Reject Him and you sell your soul down the river. Turn about; believe; be saved, says the family of the county that sponsors this space.

Economy is a distributive virtue, and consists not in saving but in selection. Parsimony requires no providence, no sagacity, no powers of combination, no comparison, no judgement.

Sunspots affect many aspects of daily life such as the weather, plant growth and sunburn.

Modern Art Takes a Licking!

Did you know we had a real artist in town? Yes sir! Handy Jackson was a contributor to the Sculpture Exhibition at the Centerville Fair last week. His work was streaky pink and curved all around—sort of streamlined. Caused quite a stir. Nobody was sure what it was supposed to represent, but some liked it and thought it was good art. Handy gave me the lowdown: "Why, it was nothing but a piece of cattle salt our cows have been lickin' at for months. I just had it mounted. Fooled a lot of folks—one fellow even wanted to buy it!"

From where I sit, Handy's "modern art" just shows how some people can be led astray. Some even get to be "experts"—especially about the other fellow's business. Whether it's art or music, or a simple thing like choosing, say, beer or milk with a snack, we should live and let live. There's no call for either of us to set ourselves up as a "model" for the other!
