

**Stay in Bed Required  
Due Return of Illness**

TREHARNE — Mr. and Mrs. Albert Reynolds and Kenneth; Mr. and Mrs. Don Reynolds, Cathie and Glen; Forest Reynolds and friend Maxine Rose Vander Poole of Douglas, Wyoming visited Mr. and Mrs. Harry Weaver and family Saturday evening. Paul Lin, son of Mr. and Mrs. Harry Weaver had a backset of a former illness last week which makes it necessary that he stay quietly in bed for two weeks or more.

**Now Is Our Day**

BY GEO. N. TAYLOR  
Portland, Oregon

See the eternities that have been and the eternities that will be and our little day set in between. And in this little day of ours, God is calling out a people on whom he is to set his love in the ages to come. He is calling out all sorts. He is calling the vile, the liars, murderers, profane, crooks and the many who boast that their own good works will save them. But, no matter what we may think, the Bible says that we must receive Christ into our hearts as the Lord and Saviour who died for us. At that Christ takes up and makes us new. Then open your heart to Him. Let Him in. A Seattle family sponsors this space.

**MISTAKES**  
Show us the man who never makes a mistake and we will show a man who never makes anything. —H. L. Wayland  
Any man can make a mistake, but none but a fool will continue in it. —Cicero

No persons are more frequently wrong, than those who will not admit they are wrong. —Rochefoucauld

Mistakes are lessons of wisdom. The past cannot be changed. The future is yet in your power. —Hugh White

We often discover what will do, by finding out what will not do; and probably he who never made a mistake never made a discovery. —Samuel Smiles

Even a mild mistake must be seen as a mistake, in order to be corrected; how much more, then, should one's sins be seen and repented of, before they can be reduced to their native nothingness! —Mary Baker Eddy

**TO HELP... TO HEAL... TO HOPE**

Your dimes and dollars created the National Foundation for Infantile Paralysis—you make up its army of 80 million supporters and two million volunteers.

In 16 years, a powerful force for good has grown from a mere handful of men and women. Its power is yours.

The National Foundation has created the most extensive voluntary research program ever leveled at a single disease. It sustains a program of patient aid in which no polio victim goes without the best available care for lack of funds. It trains thousands of hospital and health workers.

And it will take more in '54 to keep this program rolling—, because victory looms over the horizon. Show your faith in the organization you have made —
