

God's Time Table

BY GEO. N. TAYLOR
Portland, Oregon

First on God's Time Table is this Gospel Age of now. Men of all nations are believing on Christ as God's Son who died for their sins. Believe and God gives you eternal life with heaven-sent peace, cheer and victory for here and now. Two—After this present age of to-day, comes the Great Tribulation. —"Except those days should be shortened, no man would be left alive on the earth." Christ's Word—Mt. 24:22. Third, the Hebrew Age with the Hebrew in the saddle. 4th Armageddon Battle. 5th—Judgement Day. 6th—The world comes to an end and melts with fierce heat. 2nd Peter 3:10. Today, God yet offers eternal life as you believe in your heart that Christ died for your sins. Heart belief wins you eternal life. This space sponsored by a Seattle family.

How Advertising benefits you!

Advertising saves you money. Because it sells on a mass scale, advertising makes possible mass production, which means lower costs to you. Advertising also tells you where to find bargain buys.

Advertising helps you live better. It introduces you to new products you need. And because it makes business more competitive, advertising stimulates the development of many of these superior products.

Advertising creates jobs. The increased demand for goods that advertising builds—and the mass production that results—leads to mass employment, faster promotions, higher pay levels.

Advertising helps those who serve you. It helps the farmer sell his crops . . . the manufacturer sell his factory output . . . the merchant sell his wares . . . the technician sell his skill. And because, with advertising, all these people sell more, each can afford to sell his goods or services to you for less and still make a reasonable profit.

Yet for all it does, advertising costs so little

To advertise big-name gasoline takes less than 1/5¢ a gallon. To advertise famous brands of bread costs less per loaf than the wrapper. To advertise America's leading cereals costs less than 3/10¢ a package. If any other form of selling were cheaper or more efficient, no one would advertise.

Advertising Benefits Everyone
