KINDNESS Kindness is the golden chain by which society is bound to-gether. —Goethe The charities that soothe, and

heal, and bless, lie scattered at the feet of men like flowers. —Wordsworth The Golden Rule works like ravitation. —C. F. Doyle It is one of the beautiful comgravitation. pensations of life that no man can sincerely try to help another,

without helping himself.

—Charles Kingsley To cultivate kindness is a valuable part of the business of life -Samuel Johnson

Wise sayings and garrulous talk may fall to the ground, rather than on the ear or heart of the hearer; but a tender sentiment felt, or a kind word spoken, at the right moment, is never wasted.
